Dear Residents,

In 2016 we will be celebrate the 60th Anniversary of our Village. So, it seems appropriate that we use fiscal year 2016 as a time when we can work together to create a "vision" for the next 60 years of our Village!

An architectural firm will be selected this month to begin planning regarding our new Country Club Clubhouse and recreational areas. Also, we are currently re-writing our land use codes to make them more user friendly for our residents, businesses and developers.

Our fiscal year starts October 1, 2015, and we will be reaching out to everyone to help develop the "vision" for the future of North Palm Beach!

Enjoy the rest of the summer.

Sincerely,

Jim Kelly

---

**Know Your Code**

Sec. 4-28. - Running at large.

(a) Dogs in parks and on streets and sidewalks. No person owning or having possession, charge, custody or control of any dog shall cause, permit or allow the dog to stray, run, be, go or in any other manner to be at large in or upon any public park, street or sidewalk unless accompanied by an attendant who shall have such dog firmly held by collar and leash, which leash is not to exceed eight (8) feet in length. Retractable leashes are not permitted in public parks unless they are locked at a maximum length of eight (8) feet.

---

**Public Notice:**

All Library Events Scheduled from August 1-14 are cancelled due to the renovation of the Meeting Room.
Thank You! In gratitude for their dedication to the Village, the Council presented outgoing board members Alfred Cilcius, Curtis Witters and Ken Wright (L to R) with Certificates of Appreciation recognizing their years of service.

Village Council Budget Workshops

The Village Council will discuss the proposed FY 2015-2016 Budget in detail during its Budget Workshops. Meetings are open to the public and residents are invited to attend. All meetings are held at Village Hall, 501 US 1. Budget Workshops are held in the Conference Room and Public Hearings are held in the Council Chambers.

Your Village Budget Process in Action

The budget is a policy-driven financial plan to provide a full range of municipal services including Police, Fire Rescue, Sanitation, Parks & Recreation, Library, Streets/Roads Maintenance, Public Improvements, Planning, Zoning & Building, and General Administrative Services to our residents. It is the legal authorization to expend Village funds during the fiscal year (October 1 through September 30).

Through the budget process, an annual budget is developed that integrates priorities and short and long-term goals as established by Council to meet the needs of the Village and establish annual resource allocations. These decisions address desired quality of service: staffing levels; technology needs, equipment and capital improvements; and programs considered by Council to be priorities.

The Village’s budget process relies on a timetable of tasks, steps, and meetings that must be met in order to comply with state requirements for Truth in Millage (TRIM) as well as internal requirements for sound planning and fiscal responsibility. The purpose of the Truth in Millage law is to require full disclosure by taxing authorities to the taxpayers and public of the rates and amount of taxes, prior to levying the taxes.

In July, the Village Manager presents a proposed budget to the Village Council for consideration and further input. This proposal includes all personnel, operating, and capital expenses, along with the revenues required to finance the expenditures. State law requires the Village to advise the County Property Appraiser of our tentative millage rate and the date of our first September millage and budget hearing. The tentative millage rate is the maximum millage rate the Village may consider. Once the tentative millage rate is adopted, it can be lowered but can’t be increased (without an additional notice to each taxpayer). The Property Appraiser mails each property owner the “TRIM Notice” of proposed property taxes and the date of the first public hearing on the budget. The TRIM Notice includes this information for every taxing authority, not just North Palm Beach.

Council reviews the budget and conducts budget workshops at which Village administration offers additional information. Changes are made to the budget per Council direction during budget workshops and the proposed budget is revised to incorporate the changes. Budget workshop meetings are open to the public, and two budget public hearings are held in September to ensure residents have an opportunity to be heard before final action is taken to approve the budget.
The Conservatory School @ North Palm Beach presents...

Calling all Kindergarteners!

K-Date

You are Invited!
Date: Thursday, August 13, 2015
Time: 1:00pm

Meet the K teachers & tour the school!

Police Rescue
Officer Mize of The North Palm Beach Police Department recently rescued a baby duckling from a drain after it fell from the Parker Bridge as it opened. Officer Mize crawled into the drain pipe, rescued the baby duckling by putting it in his uniform pocket to get it back to safety. The duckling is doing well! Way to go Officer!

Food Truck Frenzy - Mark your calendars for the August 29th Food Truck Frenzy! This event is held at Anchorage Park, 603 Anchorage Drive from 5:00-9:00pm. 20 trucks will offer a wide variety of delicious foods and desserts! No movie in the park for this one, but bring blankets and lawn chairs and plan on enjoying the music! The following Frenzy will be October 24th and will include a movie in the park.

Tennis Camp – openings remain in the summer Tennis Camp which is held at the Tennis Center, 951 US Hwy 1. Call 691-3425 for more details.

August Pool Parties
Party with us poolside at the NPB Country Club on the following Friday nights in August: 7 & 14 from 6:30-10:00 pm. Dance, eat/drink, swim and enjoy a relaxing evening with your friends & neighbors. Admission: $1/person.

Basketball Registration – Registration for the Fall Youth Basketball league started in July. Opening may remain. This league is for youth ages 7 – 14 years. Age groups are as follows: 7-8 yrs, 9-11 yrs, 12-14 yrs. The fee is $80/$70(RDF). Each team will have approximately 2 games/week and a practice. Games will be played weeknights and Saturdays at the NPB Community Center. All participants 9 years + will be drafted onto teams. Call Mary at 841-3389, after 2:00pm for availability. Sponsorships available for only $150 – get your business name on the shirt of every kid on a team!

International Coastal Cleanup – Slated for Saturday, Sept. 19, volunteers will pick up trash on their streets, in their parks and along the shorelines all across not only the US, but globally! You can be a part of this international effort. Trash in the streets eventually gets into our waterways and ends up in the oceans. Get your family and friends together and volunteer for the cause! We will clean Lakeside Park and Anchorage Park, but if your group wants to clean another area, feel free to do so! Registration forms are at Anchorage Park. Call 561-841-3386 for more information.

Anchorage Aweigh Fishing Tournament - The annual Anchorage Aweigh Fishing Tournament will be held on Saturday, Aug. 15th. We invite you, your family, and friends to participate! Registration for a boat with 4 anglers is $150/boat if registered before Aug. 12. We limit this tournament to 50 boats, so register early!! Businesses can participate by being a sponsor or by donating merchandise/gift certificates for the popular raffle. An awards picnic will be held at Anchorage Park afterwards for all anglers and their families/friends. Call the Recreation Dept. at 561-841-3386 for details.

Kids Fishing Derby – This fun event will be held from the shores of Anchorage Park on Aug. 15th at 2:00 pm. No pre-registration required, just show up with your fishing gear! Catch & release. Award for largest fish caught in 2 age groups: 8 & under, 9 & up. Prizes awarded at Fishing Tournament Awards Picnic which begins at 4:00 pm.
Help Your Child Stay Safe While Riding a Bike

Getting a “big” bike is a milestone for children. Unfortunately, according to Safe Kids USA, bicycles are associated with more childhood injuries than any other consumer product except the automobile. These injuries can be prevented. Requiring a child to wear a helmet can reduce risk of injury by as much as 85%. The typical bicycle crash occurs within one mile from home. A helmet needs to be worn every time the bicycle is used. Adults also need to wear helmets. A helmet should sit flat on the head in a level position. It should not move forward, backward or side-to-side. The helmet should be buckled snugly under the chin. Children should be taught the rules of the road. Insist that they look both ways before entering a street. A bicyclist needs to obey all traffic laws, stopping at all stop signs and stop lights. Adult supervision is essential until the child demonstrates good traffic skills and judgment while riding. Remember to ride with traffic when riding a bike and cross only at intersections. When shopping for a bike, bring the child along to ensure a proper bike fit. Buy a bike that is the right size for the child, not one he/she will grow into. When sitting on the seat, the child’s feet should touch the ground. There should be 1-3 inches of space between the rider and the top bar. The breaks, tires and chain should be checked regularly. Wear bright clothing while riding a bike. Sneakers or close toed shoes should be worn when riding bike. Risks such as a child’s size and cognitive ability, and environmental risk, such as speeding motorists, are numerous. That is why prevention measures are so important. Reduce a child’s risk by modeling and teaching safe behaviors.

VOLUNTEER OPPORTUNITIES

Anchorage Aweigh Fishing Tournament and Kids Fishing Derby

Kids Fishing Derby Volunteers with fishing experience are needed to help kids bait lines, take fish off lines, etc.

Date and Time August 15th from 2:00 to 3:00 p.m.
