Memorial Bench Program

603 Anchorage Dr., North Palm Beach, FL 33408 (561) 841-3386

Memorial benches are a lasting way to remember and pay tribute to loved ones. The North Palm Beach Recreation Department has developed a Memorial Bench program that provides an opportunity to commemorate your special person and enhance the aesthetics of the Village's park system. Many of our park sites enjoy peaceful views across the Lake Worth Lagoon and the Erman River. Your donation of a park bench helps to beautify the park, and provide a useful amenity that thousands of park users can enjoy and appreciate.

The cost of a memorial bench is \$800.00 plus tax per bench, which includes installation, a commemorative plaque and routine maintenance for the life of the bench. At an additional charge of \$200 plus tax, we offer a bronze plaque. Benches are 6 feet in length, made of environmentally friendly recycled plastic lumber and have an expected life span of 10 years. The donation includes the installation of an attractive plaque that can be engraved with a short memorial message. The inscription is limited to 50 characters, 3 lines max. The Recreation Director or designee must approve memorial messages.

The Village and the donor understand that the memorial will be sited in a public place, and although the Village expects visitors to respect public property, there remains the possibility that the memorial could be damaged or destroyed. After 10 years when a replacement of the bench is needed, the original donor or family members will be provided an opportunity for "first right of refusal" before an existing location is offered to a new donor. Once installed, the bench is public property.

You will work with Village staff to choose a site that meets both your needs and those of the Village. Every effort will be made to install benches within three to six months of the order. Once a bench is installed, the contact person will receive an email notification and photos of the installed bench.
