"The Best Place to Live Under the Sun"

APRIL 2016

**NPB Library

A Message from the Village Manager

Dear Residents,

We invite you to celebrate the Village's 60th Anniversary by attending the Heritage Festival and Parade on Saturday, April 2nd, at Anchorage Park! Staff has worked diligently to make this special event a meaningful and fun-filled occasion featuring a Business Expo, live bands, carnival rides and games, concession booths and so much more. Plus, the Heritage Parade is bigger and better this year, showcasing bands, civic groups, clubs and organizations from the surrounding community. PLEASE COME OUT AND ENJOY THIS SPECIAL DAY!

As the Village "turns" 60 years old, this is a perfect opportunity to reflect on where we've been, where we are now and where we want to go. The Village Council needs and welcomes your input and involvement as they consider major issues, such as the new clubhouse facility, the Master Plan, boat and RV storage, etc. Many of you have exercised your civic duty by attending public meetings and Council workshops which provide insight into the thought processes that influence and shape Council decisions. I

am hopeful that you will encourage your friends and neighbors to become more active so that they too can experience firsthand the benefits of engagement and of voicing their opinions on matters concerning where they live and work and play. You CAN make a difference!

Also please note that tentative workshop topics for April include the Country Club, the capital budget and Village sanitation services. Please keep in mind that workshops are simply an opportunity for the council to examine various issues in-depth so that they may give guidance to staff regarding future action(s) to take, if necessary. There is no vote at a workshop. Check our website (www.village-npb.org) for actual dates and locations.

I look forward to seeing you at our Heritage Festival and Parade!

Sincerely,

Jim Kelly

Library Director Betty Sammis Retiring

Library Director Betty Sammis has announced her retirement from the Village of North Palm Beach. Her last day will be April 15th.

Betty has worked for the Library for the past seven years, is a resident of North Palm Beach. Her husband, Paul, has served on the Waterways Board.

Betty will surely be missed as she loved the library and making award winning-floats for the Heritage Day Parade. She was involved in many community and employee events. Her laughter and love of books was evident wherever she went.

Betty, her husband and her pets will be moving to their cabin in the mountains of Georgia. Please stop by the Library to wish her well in her retirement!

North Palm Beach Recognizes Thirty-Year Employee

Last month, Village employees celebrated Charles Mitchell's thirty years of employment with the Village of North Palm Beach.

Employees took up a collection and surprised him with a breakfast and a gift card.

Charles works in the Public Works Department and said he is very thankful for working with such nice people. He has seen a lot of changes through the years but continues to enjoy coming to work every day.

The Finance Department has been awarded the Distinguished Budget Presentation Award. **CONGRATULATIONS!**

Congratulations Charles!

North Palm Beach's First Fire Truck 1957

The picture shows Chief Dudden, Director of Public Safety, accepting delivery of the Village's first fire engine. The engine was built by the American-LaFrance Co. of Elmira, NY and, as was the standard of the day shipped by railcar to WPB where it was picked up (explaining the background). The other gentleman in the picture was the factory technician sent with the engine to provide training in use & maintenance to department personnel. The engine

was state-of-the-art for small suburban fire departments of the day; built on a commercial chassis with a 750 gallon per minute (GPM) pump and 500 gallon water tank, two people rode in the cab and the rest of the crew rode, standing on the tailboard. In comparison, our engines today are built on a custom chassis with 1250 GPM pumps, still a 500 gallon tank, and everyone rides inside the protective cab.

NORTH PALM BEACH POLICE TIPS

As we get closer to the warmer months, for some that means vacations are on the horizon. The North Palm Beach Police Department would like to remind residents that when preparing to go out of town on vacation it is important that you take necessary steps to safeguard your homes and vehicles from potential burglars. If you will be out of town for an extended period of time, make sure that all vehicles are secured inside a closed garage when possible. Vehicles may be placed in a location to provide the appearance that you are home if the garage is unavailable. Remember to lock all windows and doors and remove all valuables.

To safeguard your homes, make sure that any exterior lighting is operational overnight. All exterior doors and windows are must be closed and locked. If your home is equipped with an alarm system, check to make sure it is operating properly prior to setting it. Ask a friend or neighbor to look after your home while you are away and have them periodically check the property to make sure that everything is in order. You can provide specific dates to the post office to suspend mail delivery until your return. Burglars will often look to see a collection of mail and/or packages are at the front door and use that as an indicator that the resident is away and the house is an easy target for a burglary. The North Palm Beach Police Department strongly encourages residents to complete a Vacation House Watch form. This program is a free service to all village businesses and residents. The form can be accessed on our website and is also provided for your convenience in the lobby.

DR. DAVE'S MEDITATION CLASS WILL TEACH PARTICIPANTS THE BENEFITS OF MEDITATION AND CONDUCT A WEEKLY, OPEN ENROLLMENT, GUIDED MEDITATION.

Studies report meditation reduces levels of adrenaline and cortisol and decreases metabolism, breathing rate, heart rate, and blood pressure while increasing alpha (relaxing) brain waves. Brain waves become synchronized between hemispheres producing gains in memory and concentration as deep relaxation occurs. Focused meditation can improve performance, promote healing, and relieve pain. Meditation can create balance, grounding, inner peace, and increased spirituality and sense of personal well-being. For children meditation can decrease hyperactivity, increase alertness and school performance.

Learn how meditation can change your life! Dr. Dave DiSano certified psychologist and hypnotherapist will discuss different types of meditation, and conduct a guided meditation with the class. Learn how meditation can change your life! April classes 4/5 & 4/19 @ 6:30 pm, 4/13 & 4/27 @ 10:00 am at Anchorage Park Activities Bldg. Fee: \$12/\$10(RDF)/cls (no charge for children 6- 16).

Heritage Day is Saturday, April 2nd

Taylor Norris is our hometown girl! Born and raised in North Palm Beach, Taylor grew up taking ballet, tap, and jazz lessons. She began singing in 5th grade and has been performing around the area ever since. She graduated from Palm Beach Gardens High School and went on to attend the University of Florida for undergraduate and law school. Since passing the FL Bar last year, Taylor has been pursuing her musical dreams with performances at local venues and at the 2016 Honda Classic. She plans on moving to Nashville by the end of the year.

Heritage Parade: Parade will start at 11:00. It travels from Village Hall - north on Eastwind Dr. to Lighthouse - Lighthouse to Anchorage - ending at Anchorage Park. It features marching bands, local clubs, businesses/organizations and a few surprises! You can watch the parade from anywhere along this route but be in place prior to 11:00 as the roads will close. Call the Recreation Dept. at 561-841-3386 for more information or visit the recreation pages of www.village-npb.org.

Parents can join in, but the prizes are for the kids! Prizes will be awarded in Anchorage Park following the parade. The winner will receive \$125; second place finisher gets \$75, and third place will win \$50. Originality and appearance count, but the highest marks go to the “Brigaders” who do their own work, without Mom and Dad’s help. It’s a fun contest for everyone. We invite clubs, businesses, organizations, etc to participate in the 1 mile parade! Contact the Rec Dept. for your application and more information. 561-841-3386.
