“The Best Place to Live Under the Sun”

Advertisement submitted by Former County Commissioner Karen Marcus, who is pictured on the swing set of the Builder's Ad for homes in NPB in the late 1950's & early 1960's. Her father, Mr. Tulino, is quoted, and this was their home on Bay Road.

The beautiful new Village Hall

The village of North Palm Beach, from our standpoint, is the ideal community. With a family to raise, we were particularly anxious that the children be given the advantages of good schools, safe streets and community environment. As for myself, I wanted to be close to my work. I had my fill of long distance commuting. The village of North Palm Beach has more than met the above requirements.

Of particular interest is the new village hall, the modern water and sewage plants. The wide, safe, landscaped streets and sidewalks that are not only here, but paid for. Police, fire and sanitation departments are in full operation. The new school to be built this fall incorporates the most advanced ideas in design and construction. Strict zoning regulations assure perpetual protection of our investment. If you're planning on moving to Florida, you'll be way ahead if you decide to live in the village of North Palm Beach.

THE COMMUNITY WITH THE FORWARD LOOK!

Dear Residents:

It is May already, where has the time gone? Last year I wrote about my mom. She is 90 and her "can do" attitude continues to be a wonderful example for all of us. This year I want to honor the mother and grandmother of my children (3) and grandchildren (8), my beautiful wife Vicki.

Vicki and I met at Duquesne University, This year we celebrate our 40th Anniversary. I cannot imagine a more loving and giving person than Vicki, and as I see my children and their families grow I see her loving and giving nature in them.

I dedicate the following to all moms, because I want you to know that, while it may not seem like it at the time, you are truly appreciated and loved for everything that you do!

When You Thought I Wasn't Looking

By Mary Rita Schilke Korzan

When you thought I wasn't looking, I saw you hang my first painting on the refrigerator, and I immediately wanted to paint another one.

When you thought I wasn't looking saw you feed a stray cat, and I learned that it was good to be kind to animals.

When you thought I wasn't looking, I saw you make my favorite cake for me and I learned that the little things can be the special things in life.

When you thought I wasn't looking, I saw you make a meal and take it to a friend who was sick, and I learned that we all have to help take care of each other.

When you thought I wasn't looking, I saw you take care of our house and everyone in it and I learned we have to take care of what we are given.

When you thought I wasn't looking, I saw that you cared and I wanted to be everything that I could be.

When you thought I wasn't looking, I learned most of life's lessons that I need to know to be a good and productive person when I grow up.

When you thought I wasn't looking, I looked at you and wanted to say, "Thanks for all the things I saw when you thought I wasn't looking."

Sincerely,

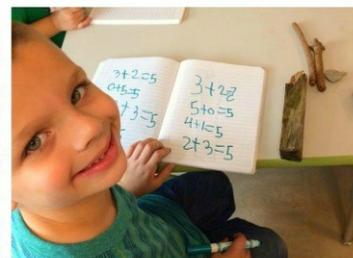

Jim Kelly

Happy Mother's Day

"Loose parts engage a child's natural curiosity & inventiveness and invite them to experiment, construct, manipulate & tinker. There is no set of directions; the child is the direction! I am always so amazed by how incredibly creative and beautiful my students' creations are!"

Original Badges Worn By Police Officers of the Village of North Palm Beach In 1957

Today's Badge

CIT AWARD RECIPIENT IS NPB OFFICER MILLER

The 2015 CIT Award recipient was our own North Palm Beach Police Officer Steven Miller.

On December 28, 2015, Officer Steven Miller responded to a call involving a mentally disturbed male who was suicidal. The male jumped off Earman River bridge and into the Intracoastal waterway. The male was screaming at officers to shoot and kill him. Officer Miller boarded the Marine Unit and talked to the subject while both North Palm Beach and Palm Beach County Sheriff's Office marine patrols guided the male to shallow water. Officer Miller jumped off of the boat and into the water, apprehending the subject without injury.
