

Village of North Palm Beach

"The Best Place to Live Under the Sun"

JULY 2016

Village Manager

Dear Residents,

We have received a draft of the Village Master Plan, which will be shared with you prior to its adoption by the Council. This month we will evaluate bid responses from vendors interested in operating the restaurant and banquet room at our new clubhouse. These responses will help guide the Village Council to determine the actual size and scope of the clubhouse. Thus, it is anticipated that our architect may begin to develop the construction plans for the new clubhouse in late August or early September of this year.

Our 4th of July celebration at the Country Club will have live music provided by "Making Daces" from 7pm to 10 pm. There will be lots of food and drinks for you to enjoy, and the fireworks are scheduled to begin at 9pm. Prior to fireworks, there will be activities as follows:

- ★ 12:00pm-8:00pm—Pool Open (free admission)
- ★ 4:00pm Pool Games (Wacky water competitions for all ages)
- ★ 6:30pm Recreational Games (sack races, Tug of War etc.) 1st Fairway
- ★ 7:00pm—10:00pm Music (making Faces)

Bring your family and celebrate the 4th with your neighbors!

Sincerely,

Jim Kelly

P.S. As I have said before, this newsletter is written at least one month in before publication. Therefore, please, use our website regularly to get current information. www.village-npb.org

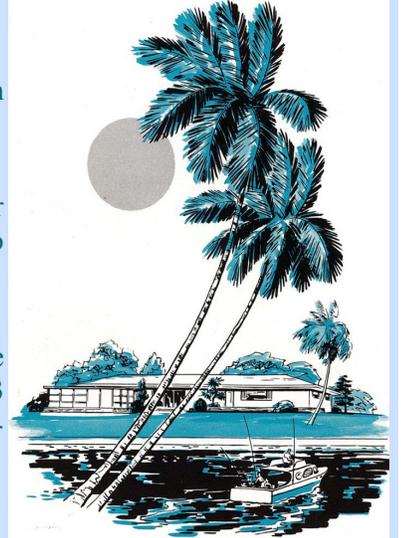

On behalf of the Village Council, Mayor Norris proclaimed May 21 through May 27, 2016 as **National Safe Boating Week** in the Village of North Palm Beach. Commander Rick Wood of the Palm Beach Sail and Power Squadron was on hand to accept the proclamation.

Share Your Story and Be Part of History!

The Village is fortunate in having so many long-term residents, as well as second and even third generation residents. It must be because it's the best place to live under the sun!

Do you have a story to tell about the founding of North Palm Beach? The early years? What it was like growing up in the Village? We'd love to hear what you have to say! Share your stories about life in our community. Information provided will be added to the archives so that we may preserve these memories of our Village for future generations.

You have options: Complete the *Local History Interview Questionnaire* online, or download the *Questionnaire* in PDF format at [www.village-npb.org/Village Historian](http://www.village-npb.org/Village_Historian); contact the Village Historian by phone at 841-3371, or in person at the NPB Public Library, 303 Anchorage Drive, to set up an interview by email, phone, or in person, or to donate photographs or other items of historical interest.

 Mr. Gamble used a 4 Rescue from 169 yards out.

What is an LPR Camera?

The North Palm Beach Police Department would like to inform residents that we are currently utilizing License Plate Readers (LPR's) throughout the Village. These devices are located in multiple locations within the Village. The LPR's serve the police department as a criminal investigative tool that aide officers and investigators locate and track suspects. The LPR is equipped with a camera that reads license plates as vehicles pass by. When a crime is committed (burglary, robbery, auto theft, etc.) and there is a known suspect the information is entered into the monitored LPR. When the suspect vehicle passes the LPR an alert is activated and the hit is confirmed. This information allows police to quickly respond to the last known location of the suspect vehicle. This tool has proven beneficial to prevent crime and is another investigative measure to help catch the criminals that are targeting the residential community.

POLICE DEPARTMENT SMART WATER PROGRAM

The North Palm Beach Police Department is participating in a new program to prevent crime and assist in the identifying and locating of stolen property. The name of the new program which the police department had implemented in May is called Smart Water CSI.

What is Smart Water CSI? It is a range of water and solvent based traceable liquids, each consisting of a unique chemical code, a bright YELLOW/GREEN fluorescent marker which is ONLY visible under long wave ultraviolet (UV) light and is invisible to the naked eye in natural light. A tiny drop of the water can be placed on all personal possessions ranging from electronics to jewelry and contains a unique numerical code that is specific to each property owner. There are over 1 billion unique combinations available and no solution is manufactured more than once making each one unique and traceable. This links property to a victim and a criminal to a crime scene which has been proven in court.

Smart Water has been guaranteed to last on property for 5 years. You, the homeowner, can tag your property with a drop of the liquid and the specific code located within the water is assigned solely to you. If your property is stolen and recovered either on a suspect or in a pawn shop,

law enforcement can process the item by scanning it with the light. If it fluoresces then the sample is collected and sent directly to the laboratory

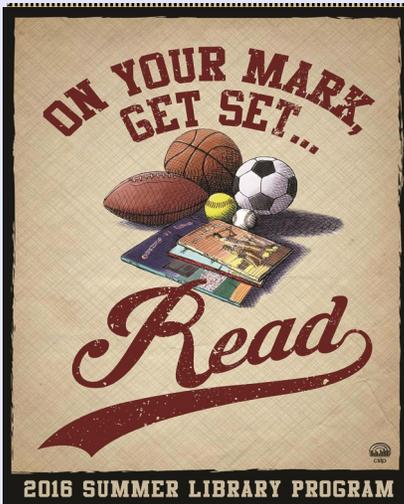

where Smart Water is processed. The code taken from the collected sample is then matched with the unique assigned code to the customer.

If there is a match then law enforcement knows that the property they've recovered is stolen and who it belongs to. The North Palm Beach Police Department has purchased 75 kits that were distributed to various homes throughout the Village based on burglary crime trends. Smart Water CSI is a program to safeguard residents and partner with law enforcement to protect personal property as well as potentially aid in its recovery.

Lock your vehicle and remove your belongings!

LIBRARY SUMMER READING PROGRAM

"On Your Mark, Get Set...Read"

The program is open to young people age 5 thru 12. Sign up begins June 2. Pick up your reading log, book bag, and activity schedule at the Children's Summer Reading and/or Circulation Desk. Summer Movies at 2:00 PM—Tuesdays, July 5 & 12, Wednesdays, July 20 & 27

FIRE DEPARTMENT—SIGNS OF STROKE

Many studies show that Americans fear disability much more so than death. That makes it even more surprising that it takes an average of almost 2 hours for Americans to call 911 after stroke warning signs occur. They think the problem is minor and that numbness in their arm will clear up or their speech will get better on its own. 1 million brain cells a minute die after a stroke. That's why EMS agencies across the country are trying to educate their constituents about the warning signs of stroke.

Use the acronym **FAST**:

Facial Numbness or droop

Arm or leg weakness or tingling

Speech slurred or missing words

Time is critical! Act **FAST**

Stroke –
there's treatment if you act **FAST**.

Call 911 yourself or for the person with symptoms. Lie down! Stay calm (despite the obvious stress) because now you know help is on the way. Stroke is the fourth leading cause of death in this country but it is the number one cause of disability. Monitor your blood pressure regularly and keep a record for your doctor. Having a good plan is the best defense against catastrophe.

Parks & Recreation

Summer Programs

Summer Day & Teen Adventure Camps

Some openings remain for the NPB Summer Rec and Teen Adventure Camps. Visit www.village-npb.org (dept-parks & rec-activity registration) to register online. Weekly camps are held through July 29 at the North Palm Beach Community Center, 1200 Prosperity Farms Rd. Call 561-841-3386 for availability.

30 Visit Pool Pass - Purchase a 30-visit Pool Pass and use it for all your family and guests! This pass will cost \$127.20 and is good for 3 months. Summer is here and this is a great way to keep the kids entertained and happy! Call 691-3427 for more details.

Swim Lessons - The NPB Recreation Dept. and Swim with Gills are offering swimming lessons for all ages at the NPB Pool. Call 561-691-3427 for schedule.

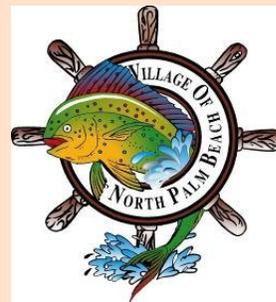

Fishing Camp - This half-day educational/entertaining camp is held at Anchorage Park and is for youth 7-14 years of age.. This popular program is presented by Griff's Fishing Camp. Participants will learn all aspects of fishing from identifying different species of fish, feeding habits, casting techniques and conservation. They will also learn different fishing knots and water safety. Kids will fish each day, practicing what they have learned. Participants should bring their own fishing equipment; bait will be supplied. This is a Catch & Release program. Camp sessions: 9:00 am - noon, \$105/\$100(RDF). Session 2: July 11-15 Session 3: July 25-29 Session 4: Aug. 1-5.

Baseball Camp - Wayne (Rosey) Rosenthal is offering 2 sessions of the popular Summer Baseball Camp at the NPB Community Center. Rosey was the pitching coach for the 2003 World Series Champion Florida Marlins! This camp is for youth 8 - 12 yrs of age and will cover infield/outfield drills, base running, hitting tips, throwing/catching fundamentals, position specific instruction and feature a daily instructional game. Camp sessions: 9:00 am - 3:00 pm (limited number of extended care positions available - contact Rosey), \$265/\$260(RDF). Session 2: Aug. 1 - 5

Facebook Class - Want to learn how to work with Facebook on your phone or tablet? The Rec Dept will spend some time with you and show you the basics of Facebook. This class will be on July 14 at 1:30 pm and the fee is \$5. Limited enrollment, pre-registration required. Have the facebook app pre-loaded on your device. 561-841-3386.

Friday Night Summer Pool Parties- Looking for something to do on Friday night? Friday Night Pool Parties at the NPB Pool continue through Aug. 12. Admission: \$1/person. Food & drink available. No personal coolers. Call 561-691-3427 for details.

Anchorage Aweigh Fishing Tournament - We are now registering boats for the August 13 Anchorage Aweigh Fishing Tournament. Teams consist of a captain & 3 anglers. Junior anglers are 14 years of age and under. Lines in the water at 6:00 am. Inshore and off shore divisions. Prizes awarded for largest fish in each category: trout, snapper, sheepshead, king, dolphin, whaoo, mutton snapper & grouper. For more information, please visit <http://www.village-npb.org/490/Kids-Fishing-Derby> or call 561-841-3386. We are also still taking sponsorships for this Fishing Tournament! Businesses can participate by being a sponsor or by donating merchandise/gift certificates for the popular raffle. An awards picnic will be held at Anchorage Park afterwards for all anglers and their families/friends. Call the Recreation Dept. at 561-841-3386 for details.
