Village Manager

Dear Residents,

The Village of North Palm Beach was incorporated 60 years ago this month on August 13, 1956. The Ross brothers, Herbert and Richard, bought and developed the land that would become North Palm Beach. They clearly had a vision for the type of community they wanted to build. They set up utilities, built a Village Hall by famed architect John Volk, and established the first Village Council.

The first Village Council consisted of Charles Cunningham, who became the first Mayor, Richard Ross, Jay White, John Schwencke and John MacArthur. The First Fire and Police Chief was Albert Dudden, The first Village Manager was a man by the name of Alvin Olsen.

The first business to obtain a permit in North Palm Beach was the Pantry Pride/Food Fair that was located on 101 US Highway 1. It was permit # 100.

In 1958, the Ross brothers donated ten acres to build the NPB Elementary school, which is featured on our cover this month as our children return to school on August 15th. A library was first established in its temporary location in 1963 at the old Winter Club, while a new building was built next to the elementary school.

The Village of North Palm Beach is truly a unique community, with many family activities, amenities and services. Looking ahead to the next 60 years, there is a Master Plan being finalized, a new Country Club Clubhouse will be built, businesses will be opened, and the community feel that you remember growing up with will be maintained. Our crime is low, and we are one of the few municipalities that still offer five day a week sanitation services.

As school resumes on August 15th, please allow more time to get to your destination, and watch for children crossing the streets and on bicycles. I hope you enjoy the rest of the summer.

Sincerely,

Jim Kelly

Village Manager

A LOOK at the BUDGET

Your Village Budget Process in Action

The budget is... a policy-driven financial plan and legal authorization to expend Village funds during the fiscal year (October 1 through September 30).

The budget provides... a full range of municipal services to residents, including: Police, Fire Rescue, Sanitation, Streets & Grounds Maintenance, Parks & Recreation, Library, Planning/Zoning/Building, Administrative Services, and Public Improvements.

Through the budget process, an annual budget is developed that integrates priorities and short and long-term goals as determined by Council to meet the needs of the Village and establish annual resource allocations. These decisions address desired quality of service, staffing levels, technology needs, equipment, capital improvements, and programs considered by Council to be priorities.

The Village's budget process relies on a timetable that must be met in order to comply with state requirements for Truth in Millage (TRIM) as well as internal requirements for sound planning and fiscal responsibility. The purpose of the Truth in Millage law is to require full disclosure by taxing authorities to the taxpayers and public of the rates and amount of taxes, prior to levying the taxes.

In July, the Village Manager presents a proposed budget to the Village Council for consideration and further input. This proposal includes all personnel, operating, and capital expenses, along with the revenues required to finance the expenditures. State law requires the Village to advise the County Property Appraiser of our tentative millage rate and the date of our first September millage and budget hearing. **The tentative millage rate is the maximum millage rate the Village may consider. Once the tentative millage rate is adopted, it can be lowered but can't be increased (without an additional notice to each taxpayer).** The Property Appraiser mails each property owner the "TRIM Notice" of proposed property taxes and the date of the first public hearing on the budget. The TRIM Notice includes this information for every taxing authority, not just North Palm Beach.

During budget workshop meetings, Council reviews the budget and makes changes as needed to ensure the highest quality of services are provided in the most fiscally efficient manner at the lowest possible millage rate. The proposed budget is then revised to incorporate these changes and the millage rate is adjusted accordingly. Budget workshop meetings are open to the public, and two budget public hearings are held in September so that residents have an opportunity to be heard before final action is taken to approve the budget.

Baseball Camp – We still have openings in the August 1 – 5 Baseball Camp. This camp is offered by Wayne (Rosey) Rosenthal and held at the NPB Community Center. Rosey was the pitching coach for the 2003 World Series Champion Florida Marlins! This camp is for youth 8 – 12 yrs of age and will cover infield/outfield drills, base running, hitting tips, throwing/catching fundamentals, position specific instruction and feature a daily instructional game. Camp sessions: 9:00 am – 3:00 pm (limited number of extended care positions available – contact Rosey), \$265/\$260(RDF).

Fishing Camp – There is 1 more session of the popular Fishing Camp left this summer. This half-day educational/entertaining camp is held at Anchorage Park and is for youth 7-14 years of age. Participants will learn all aspects of fishing from identifying different species of fish, feeding habits, casting techniques and conservation. They will also learn different fishing knots and water safety. Kids will fish each day, practicing what they have learned. Participants should bring their own fishing equipment; bait will be supplied. This is a Catch & Release program. Camp sessions: 9:00 am – noon, \$105/\$100(RDF). Session 4: Aug. 1-5.

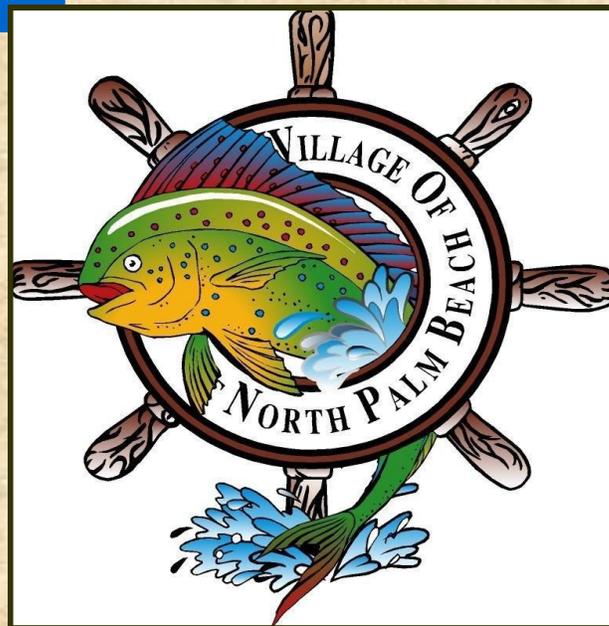

Friday Night Summer Pool Parties - If you haven't gone to any of the summer pool parties at the Country Club, you only have 2 more chances; Aug. 6 and Aug. 12. Admission: \$1/person. Food & drink available. No personal coolers. Call 561-691-3427 for details.

Swim Lessons - The NPB Recreation Dept and Swim with Gills are offering swimming lessons for all ages at the NPB Pool. Call 561-691-3427 for schedule.

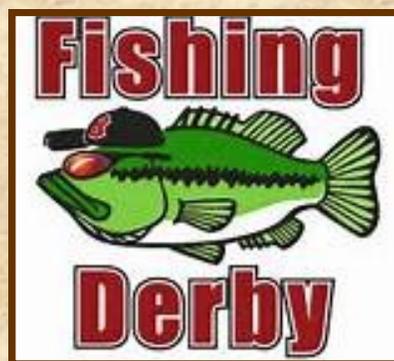

Food Truck Frenzy – The end-of-summer Food Truck Frenzy will be held at Anchorage Park on Saturday, Aug. 27 from 5:00 – 9:00 pm. This Frenzy will have a wide variety of delicious foods from 18 different trucks! Many of your favorites are returning and a couple new ones will be on hand. Bring your lawn chairs, blankets & appetites!

Touch-a-Truck – October will be here before you know it! Mark your calendars for the October 1 Touch-a-Truck and Fire Safety Fair to be held at Anchorage Park! This fun event is from 10:00 am – 1:00 pm. In addition to approximately 30 great vehicles to explore, this event will feature fire demonstrations, safety displays and more! FREE and open to all!

Fall Class Registration – check out the schedule for classes that will begin in September. We offer many ongoing classes and new ones! Call 561-841-3386 for information!

Anchorage Aweigh Fishing Tournament - You only have a couple more days to get registered for the August 13 Anchorage Aweigh Fishing Tournament. Teams consist of a captain & 3 anglers. Junior anglers are 14 years of age and under. Lines in the water at 6:00 am. Inshore and off shore divisions. Prizes awarded for largest fish in each category: trout, snapper, sheepshead, king, dolphin, whaoo, mutton snapper & grouper. We limit this tournament to 50 boats. For more information, please visit <http://www.village-npb.org/490/Kids-Fishing-Derby> or call 561-841-3386. An awards picnic will be held at Anchorage Park afterwards for all anglers and their families/friends. Call the Recreation Dept. at 561-841-3386 for details.

Kids Fishing Derby – Saturday, Aug. 13 – 2:00 pm at Anchorage Park. Kids should bring their own fishing gear. Age groups are 7 yrs and under, 8 yrs and older. Prize for largest fish in each age group! Prizes will be awarded at the awards picnic for the Fishing Tournament at 5:00 pm.

Bicycle Safety Tips

Getting a “big” bike is a milestone for children. Unfortunately, according to Safe Kids USA, bicycles are associated with more childhood injuries than any other consumer product except the automobile. These injuries can be prevented. Requiring a child to wear a helmet can reduce risk of injury by as much as 85%. The typical bicycle crash occurs within one mile from home. A helmet needs to be worn every time the bicycle is used. Adults also need to wear helmets. A helmet should sit flat on the head in a level position. It should not move forward, backward or side-to-side. The helmet should be buckled snugly under the chin. Children should be taught the rules of the road. Insist that they look both ways before entering a street. A bicyclist needs to obey all traffic laws, stopping at all stop signs and stop lights. Adult supervision is essential until the child demonstrates good traffic skills and judgment while riding. Remember to ride with traffic when riding a bike and cross only at intersections. When shopping for a bike, bring the child along to ensure a proper bike fit. Buy a bike that is the right size for the child, not one he/she will grow into. When sitting on the seat, the child’s feet should touch the ground. There should be 1-3 inches of space between the rider and the top bar. The breaks, tires and chain should be checked regularly. Wear bright clothing while riding a bike. Sneakers or close toed shoes should be worn when riding bike. You may also consider purchasing a flashing light for the bicycle for greater visibility. Risks such as a child’s size and cognitive ability, and environmental risk, such as speeding motorists, are numerous. That is why prevention measures are so important. Reduce a child’s risk by modeling and teaching safe behaviors.
