Village of North Palm Beach

“The Best Place to Live Under the Sun”

NOVEMBER 2016
Dear Residents,

We have a great deal to be thankful for in this Thanksgiving Holiday season! First, that Hurricane Matthew was a nice drill rather than a cause of major damage to the Village. Even though Matthew turned out to be a “good drill”, we did not know this up front. So here is how over 100 of your Village employees helped keep our Village prepared and safe, and deserve our thanks:

**Wednesday 10/5/16 - Hurricane Watch Issued**
- Facilities Division - mechanics on duty
- Sanitation Division - picked up garbage & vegetation
- Streets Division - put up shutters on Village buildings
- Purchasing Division - ordered supplies for the Village EOC
- Other Village Departments - prepared work areas to prevent damage

**Thursday 10/6/16 - Hurricane Warning Issued**
- Village Emergency Operations Center (EOC) activated
- Sanitation Division - picked up as much vegetation as possible before 10am
- Police, Fire, Streets, Facilities, and IT personnel stayed at the Village EOC for the duration of the storm

**Friday 10/7/16**
- Village EOC deactivated at noon
- Streets Division clears all debris from roadways
- Community Development Dept. - performs damage assessment of Village
- Police & Fire Depts. - resume normal operations
- Parks & Rec Director, Golf Director, and Library Director inspect their areas for damage
- Pool Manager and 4 life guards begin clean up of pool
- Facilities Division - mechanics on duty

**Saturday 10/8/16**
- Facilities Division - mechanics on duty
- Sanitation Division - picked up garbage, trash, bulk, and recyclables to make up for missing Thursday and Friday.
- Pool - Pool Manager and 9 life guards continued to clean up pool area
- Golf Course - reopened

Secondly, the Village Council has approved a final concept design for our new Country Club Clubhouse Project. The design specifications are now being created to be used in the construction phase of this project. See pages 9-12 for renderings in this newsletter or click on the following link for more information, [http://www.village-npb.org/DocumentCenter/View/2124](http://www.village-npb.org/DocumentCenter/View/2124)

Finally, our Master Plan for the future sustainability of the Village of North Palm Beach has been reviewed, refined, and adopted by the Village Council. Again, this is only a road map to issues that have to be researched and work-shopped for public input and Council direction and ultimately approved or rejected by the Council.
On a personal note, I am thankful for a wonderful family: My mother is 91 years old, exercises daily, reads at least one book a day, and has been a role model for me to be so proud of my whole life. Vicki and I have just celebrated our 40th Anniversary. All that I have achieved in my career could never have occurred without her love and support. Together, as partners, we have raised our three children and supported them as they entered their careers, marriages, and the raising of their own families. In our family love is unconditional and support is always present.

Lastly, to all residents, I thank you for participating in our many public forums and workshops, because this helped guide our Village Council to accomplish: A revision of the Boat & RV Ordinance; a plan to replace our aging Jitneys; a scope of work for the design of our new Country Club Facilities; and a Master Plan for the future sustainability of the Village.

Sincerely,

Jim Kelly

Veterans Day Ceremony - Friday, November 11, 2016, 9am

The Village is honored to have Retired Army Colonel Arthur DeRuve as our speaker this year. Colonel DeRuve was commissioned a second lieutenant through the college ROTC program. After serving two years with the 2nd Armored Division as a cold war soldier in Germany, he remained 28 additional years in the Army’s active reserve, including 11 years as a military liaison officer for West Point. He is a graduate of the Army’s Artillery & Guided Missile School, the Command General Staff College and the Army War College.

In civilian life, Colonel DeRuve served as the regional management officer to the “Office of Hearings and Appeals”, the judicial arm of the Social Security Administration, for the States of New York and New Jersey, and the Commonwealth of Puerto Rico. He holds a Bachelor of Science Degree in Political Science from Fordham University and a Master’s Degree in Public Administration from New York University.

Colonel DeRuve and his wife, the former Dorothy Foxe, have been married 64 years. They have three daughters, eight grandchildren, and five great grandchildren. The Colonel and his wife, formerly “snowbirds” from New York, reside full-time in Wellington, FL. We are honored to have Colonel DeRuve this year as our speaker.

This year’s featured singer on Veterans Day is a former contestant from the television show, “The Voice”, Michaela Paige. Starting at the young age of 8, Michaela has been performing all over, with the goal and intent of using her gift to help and inspire others. She was on NBC’s reality show “The Voice” on Team Blake and made the top 12. She also graced the likes of USA Today, Rolling Stone, Access Hollywood and the iTunes Top 100 Chart to name a few. Michaela also spent four years as the host of three radio shows on W4CY and W4WN Radio. She has shared the stage with many celebrities. You can find out more about her at www.michaelapaigesings.com or follow her on Twitter and Instagram. We are very honored to have a singer of her caliber perform for our Veterans, residents, and community.

SUPPORT OUR TROOPS FOR THE HOLIDAYS

We're only weeks away from sending Holiday “Care Packages” to soldiers.

Here are the ways you can make a difference and show your support:

★ Make a monetary donation; no amount is too small. Funds will help purchase items that we did not receive last year and pay for shipping. Deliver your tax-exempt contribution to the Clerk’s office or mail to Support Our Troops USA, Inc. P.O. Box 14211, NPB FL 33408.

★ Write cards and letters encouraging our servicemen and servicewomen. Each care package we send contains cards and letters, the items most cherished by our soldiers.

★ Donated items we particularly need are new CD’s or DVD’s, holiday decorations, and individually wrapped snacks like crackers, cookies, protein bars, etc. Due to postal deadlines, we need your donations delivered to the Clerk’s Office at 501 US Hwy. 1, North Palm Beach by November 4th.

★ Volunteer to help at our donation drive. The next donation drive is Saturday October 1st, 10am – 3 pm at the Dollar Tree store in Tequesta. If you can help please call Bob Gebbia at 561-351-8459.

2016 Little League Baseball Major Division State Champions
NPB County Little League 12 & Under All Star Team

September 8, 2016 - On behalf of the Village Council, Mayor Norris issued a Commendation and presented medals to North Palm Beach County Little League 12U All Star Team and congratulated the players, coaches, and manager on winning the 2016 State Championship.
Business Tax Receipts Due

The CDD would like to remind all local businesses that according to Florida Statute 205.053 and Village Ordinance, all 2016/2017 business taxes were due by September 30th. Beginning on October 1st, a 10% late fee on unpaid business tax receipts went into effect. The late fee increases an additional 5% each month after October to maximum late fee of 25%. If you have any questions, please call our office at 561-841-3365.

Code of the Month

Holiday Lights, Sec. 6-112.—Exempt holiday lights and decorations, erected during the appropriate holiday season, shall comply with all building and electrical codes. Holiday lights and decorations may be erected no earlier than four(4) weeks prior to the subject holiday with the exception of the Christmas/Hanukkah holidays. Christmas/Hanukkah lights and decorations may be erected no earlier than October 15th. All holiday lights and decorations must be removed within two(2) weeks following the holidays.

Fire Rescue Holiday Safety Tips

Happy Thanksgiving everyone! Are you all making plans for your big family meal, put in those special menu item requests to mom and grandma? Those big meals and special, once a year menu items often call for appliances and cooking devices that rarely get used. This can cause problems if they weren’t put away and stored properly, or the instruction manual is missing. Please check the safety precautions before you use unfamiliar devices. Large mixers can entangle fingers if the blades are improperly installed, and if you plan to deep fry a turkey, or anything else for that matter, make sure you are set up outside and away from anything combustible; every year we read of house fires caused by someone deep frying too close or inside their home, let’s make sure that someone isn’t you. If you need help with a specific device most manufacturers can provide answers and a replacement manual on the internet. And, as always if you have general safety questions, we’ll be happy to assist, just call us at 882-1141. Again we wish you a safe and happy Thanksgiving.

Happy Thanksgiving

Holiday Shopping Tips from the Police Department

November typically means that the holiday season is in full swing. The busiest shopping day of the year is the day after Thanksgiving, also referred to as black Friday. The police department would like to provide the residents with some safety tips when shopping this holiday season. Each year more and more holiday shoppers are shopping from home and online. Criminals are going so far as to create false websites that look similar to those big store websites. Be extra cautious when providing sensitive information to store websites (credit card or bank information, social security numbers, and home addresses). Make sure that the site is a trusted website and if you have any doubt, call the listed customer service number and speak with a representative to confirm.

For those that like to brave the crowds by getting out to the department stores and the malls here are a few tips that will minimize you becoming a potential target or victim of a crime. Shop with friends and relatives because we all know there is strength in numbers. If your shopping trip is going to be a long one that requires you make multiple trips to your car to unload gifts and shopping bags, make sure you secure them in the trunk and not in the front or backseats. Criminals will often walk through mall parking lots looking for visible shopping items that they can steal. If your shopping trip extends into the night time hours, plan ahead by parking your vehicle in a well-lit area. Most importantly, remember to always lock your car doors and take your valuables with you when leaving your car unattended no matter how short your trip may be.

**LIFE LESSONS FROM THE GREAT MYTHS**

University of Oklahoma

Prof. J. Rufus Fears, Ph.D.

Hector and Achilles clash on the battlefields of Troy. Arthur discovers a magical sword and becomes a powerful British king. Myths and stories such as these have captivated billions of people throughout human history. But these and other moments are more than just mere entertainment; they also serve a more important purpose.

Mythology, according to Professor Fears, is an essential part of the universal path to wisdom. We study myths and the heroes who populate them for the same reason we study any subject in the humanities: to gain wisdom. Through 26 insightful lectures, Professor Fears shows you, how to find hidden within these stories, the core sets of principles for the lives of people from around the world and across time.
