

Financial Responsibility Form

The owner understands that all Village-incurred professional fees and expenses associated with the processing of this application request are ultimately the responsibility of the owner. A security deposit shall be deposited in an interest-bearing account with any accrued interest to be retained by the Village of North Palm Beach.

The owner and/or designee shall be invoiced on a monthly basis for professional fees such as, but not limited to, consultant engineering services, legal services, advertising costs, and/or any other costs attributable to the processing of the permit for which the Village incurred during the previous month. The owner and/or designee shall reimburse the Village within thirty (30) days from date of invoice. If payment is not received, the Village may utilize the security deposit for re-imbursement purposes. **All activities related to the pending permit(s) will cease until any outstanding invoices are paid.**

The owner/designee further understands that transfer of this responsibility shall require a completed form, signed and notarized by the responsible party, and delivered to the Community Development Department if the name and/or address of the responsible party changes at anytime during the application review process.
