**BOAT, RECREATIONAL VEHICLE & TRAILER REGISTRATION
FOR RESIDENTIAL LOTS IN THE R-1 & R-2 ZONING DISTRICTS**

Code Section 18-33. - Definitions

Boat means any vessel, with or without motor propulsion, commonly used for private recreation activities, designed for travel over water, and for which a trailer is required for transportation over land. The definition of boat shall specifically include a personal watercraft as defined by state statute and shall specifically exclude those vessels not required to be titled with the state pursuant to state statute.

Recreational vehicle means any vehicle or portable structure designed primarily to provide temporary living quarters for recreation, camping or travel use, other than a light van; either a vehicular structure mounted on wheels, self-powered or designed to be pulled by another vehicle or a structure designed to be mounted upon and carried by another vehicle.

Trailer means a vehicular structure mounted on wheels designed to be pulled by another vehicle. The following applies to recreational use trailers including motorcycle and all- terrain vehicle trailers and vans.

PLEASE DO NOT SUBMIT UNLESS YOU MEET ALL THE ELIGIBLE CRITERIA

SECTION ONE: REQUIREMENTS FOR PROPERTY STORAGE

The following must be met in order to comply with the Village regulations prior to application submittal.

1. Boats, trailers and RV's shall be parked in the side or rear yard or within completely enclosed garage.
2. Parking is limited to equipment owned or leased by and for the use of the occupant of the site
3. A maximum of two (2) pieces of equipment, including no more than one (1) recreational vehicle, is permitted on site at one time.
4. Parked equipment shall be in rear yard at least five (5) feet from the rear property line or in the side yard, not projecting beyond the front building line.
5. Equipment shall be currently registered and licensed at all times as required by laws of the State of Florida.
6. The maximum length of the boat or recreational vehicle, exclusive of the trailer, shall not exceed thirty (30) feet.
7. Boats: The maximum height shall not exceed twelve (12) feet as measured from the ground.
8. RV's: The maximum height shall not exceed ten (10) feet, as measured from the ground.
9. All equipment shall be visually screened from the view of abutting properties, street rights-of-way and alleyways. *Exception: Only consoles, T-tops, canopies, outriggers, electronics, and similar appurtenances atop the boat may project beyond the screening material when viewed from the street adjacent to the front of the property. All boats shall be fully screened along the side and rear property lines.
10. Screening shall be in the form of a properly anchored opaque wall, fence or gate, or an opaque hedge.
11. If hedges are used for screening, they must be planted in the ground and be a minimum of four (4) feet at the time of planting and reach a sufficient height to screen within one (1) year.
12. Walls and fences shall not exceed six (6) feet in height. **Except for corner lots where the side property line abuts the front property line of the adjoining property, in which case fence shall not exceed four (4) feet.
13. All boats and recreational vehicles shall be kept in a clean, neat, presentable, and operable condition.

Code Sections 18-35, 18-35.1 and 45-36.
