**SANTA’S JOLLY TROLLEY RIDES**

Friday, Dec. 18, 6:30-8:30 p.m.

The most unique North Palm Beach holiday tradition is back where the whole family can ride on Santa’s Trolley around the Village, enjoying neighbors’ holiday lights and decorations.

- This year, to continue in a safe manner by reducing crowd size, we will require a scheduled RSVP. Starting Dec. 1, please call the Recreation Department at (561) 841-3386 to pick an arrival time.
- A maximum of 60 guests will be allowed every half hour starting at 6:30 p.m.
- To encourage social distancing while aboard, there will be four trolleys with only every other seat available.
- Finally, face masks will be required while riding on the Trolley.

The four Trolleys will continuously run with each ride lasting about 15 minutes. The cost is $1 per person or $5 for a family. Take-away refreshments provided by the Friends of the Library and Santa will be in the Obert Room for pictures at a safe distance. Don’t forget to RSVP!

**SANTA’S VISITS (on a Village firetruck)**

Saturday, Dec. 19 from 10 a.m. to 12 p.m.

Hey kids, make sure you are home to see Santa ride a firetruck through the streets of North Palm Beach! When you hear the truck’s siren, run out and let Santa know where you live so he is sure not to pass by in his sleigh a few days later.

Parents, there is no set route for his travels, so please check outside often and listen for the siren.

What do you want in your Village parks? It's all up for review

The Village wants to provide you with the best recreation programs and facilities around, but we need your help! A needs assessment study will be done soon, so look for more details in the January newsletter about how you can provide input about what you would like to see accomplished in our parks.

We’ll be offering opportunities to participate in focus groups. Everything will be reviewed, from equipment and facilities to activities and fees, so now is a good time to start identifying what you think is needed to make our Parks & Recreation offerings the best they can be.

Popular Parks & Rec. bus trips are returning in 2021

Just in case you forgot what the bus looks like here it is at The Mallory Square pick-up point from our Key West Weekender Trip, last June.

We have been given the green light to resume bus trips in January. We will start trips under a limited capacity, required safety procedures, as well as an adjusted registration process.

We can take up to 12 people on each bus trip. Everyone will be required to wear a face mask while on the bus and hand sanitizer will be available.

We can have only one person per row, however family members can sit next to each other. We will follow all safety guidelines at each destination.

The Village wants to ensure all participants feel safe on our trips, so you must be comfortable with wearing a mask the entire duration on the bus. If you think you might not be comfortable doing so, we will gladly keep you in mind for future trips when the mask requirement is removed.

If you’re okay with that, then it’s time to call Bill at Anchorage Park, (561) 841-3386. You can also email your trip RSVPs to began@village-npb.org and request what trips you want to go on.

- January 8 (Friday) Glass Blowing Art demo in Lake Worth-$30
- January 21 (Thursday) McKee Gardens in Vero Beach with lunch at Waldo’s at the historic Driftwood Inn-$45
- February 12 (Friday) Kennedy Space Center-$75
- February 27 (Saturday) Antique Flea Market in Arcadia-$25
- March 5 (Friday) Coral Castle and lunch included at the White Lion Café-$60
- March 18 (Thursday) Avon Park, FL. Train Museum & Lunch included-$45

Step 1: Call Bill and get your name on the trip RSVP list(s). Residents will be contacted before non-residents to fill each trip. Residents can sign up themselves and one other family member from their household.

Step 2: Bill will call you to register over the phone. For now, we will be taking credit card payments, however if you do not have one, you could mail or drop off a check.

Step 3: Wait for your reminder call a few days before the trip and you know the rest.

See you on the bus again soon!

Official results are in from Golf Inc. magazine for the “Best Clubhouse” design competition. Peacock & Lewis, North Palm Beach Country Club’s architectural and design firm, received an Honorable Mention for the category of “New Public Clubhouse” for its successful efforts to design an appropriate venue to replace a dated, mid-century facility that served the community for 60 years.

Judges noted the new Club’s contemporary architecture with a resort-style feel that gives the visitor a feeling they are somewhere special. The Clubhouse is certainly that!

**Firefighter Awards 2020**

*During a difficult year that requires extra effort and precautions by emergency responders, North Palm Beach firefighters continue to provide prompt, safe and courteous service to Village residents. Several were awarded in October for their outstanding efforts. The Village appreciates all the firefighters and paramedics who work 24/7 to protect their community.*
Are your trees hanging over the road?

If so, please trim them to at least 15 feet above the pavement so our fire and sanitation trucks can pass safely. Even small, low-hanging branches can damage our vehicles.

Also, it’s important to trim dead or damaged branches and any that cross or rub against each other. This will allow winds to pass through more easily in a storm, as well as help prevent branches from falling into the road.

Your cooperation will help protect our fire and sanitation trucks and is greatly appreciated.

Please call (561) 691-3440 if you need more information.
