17 June 12

Hi,

I am unsure of who is reading this or if the sender of all these care packages even works here. All I know is that I, we, are so grateful for the love you have shown us with your care packages. They definitely don't go unnoticed or unappreciated. It's the little things that keep us going - sending positive energy your way, always.

♥ your soldiers, airmen,
& family in Afghanistan
