

Greetings from AFGHANISTAN

From rugged mountains to vast deserts, troops
deploy to contain the radical Taliban insurgency.

I personally wanted to thank You for
your generosity to the troops serving our
country. Seth dropped off one of your
bags of treats today and informed me
this is something you have done
repeatedly over the years. It is always
tough to be separated from family
and friends through the various
deployments over the years, but the
support given from complete strangers
like yourselves makes
it worthwhile for myself
and fellow soldiers. So

Again, thank you because I along with the other soldiers
you have personally touched over these deployments really
appreciate it.

Sincerely, Jason E. Pelletier, Major
