Just wanted to write you a short note letting you know that we received a huge load of boxes from North Palm Beach. Words cannot express how grateful we are that so many outstanding Americans there continue to support us. We passed out the boxes to all the companies, and they loved all the great things you sent. I have attached a picture of my Command Sergeant Major and I with the haul for you to share with everyone there, and I have cc'ed all my company commanders on this email so they can thank you themselves, and share some more photos of our Wolfhounds enjoying your tremendous gifts.

We are proud to be here defending a country full of wonderful people such as yourselves, and if there is anything I can do for you, please don't hesitate to ask. Also, if you would like to keep up on everything going on with your Wolfhounds, you can follow us on Facebook at:
