

Tips for being a good neighbor during your stay

Welcome to the Village of North Palm Beach! Our Village is well loved for its small town feel and serene natural beauty. For everyone's enjoyment of our Village and to be a good neighbor during your visit, please keep the following rules in mind.

Noise

At higher elevations, sound carries widely. A good rule of thumb is that if you're making noise that can be heard outside your host's property line, it's probably too loud. Especially after 10 p.m. Sunday through Thursday and after 11 p.m. Friday through Saturday. Please keep noise to a minimum.

Be aware of Chapter 19, Article VI of the Village's Code, that it shall be unlawful to allow or make any noise or sound that exceeds the limits set forth in section 19-99 of the Village's Code.

Parking

Please park only in the designated parking areas provided for your rental unit. Do not block another driveway or park in the swale or roadway.

Garbage

The Village of North Palm Beach is home to many wildlife, like foxes, possums, raccoons, and others that can be attracted to garbage. Please dispose of all garbage inside Village approved receptacles provided by your host. Ask your host for specific garbage pick-up dates or call Public Works at 561-691-3440.

Pets

Dogs must be on a leash when they are outside of their owner's property. Please do not leave pets unattended and always clean up after them.

Occupancy

There is a two (2) person occupancy limit per bedroom and no more than fourteen (14) occupants may occupy the vacation rental regardless of the number of bedrooms.
