

Dear Neighbors,

We are absolutely thrilled that Lessing's Hospitality Group has been chosen as the new food and beverage operator for the North Palm Beach Country Club! It's a true honor to be part of this wonderful community, and we can't wait to share what we have in store for you.

First things first, the restaurant will be renamed to something that feels just right - The Clubhouse! Our family's history in the Village goes back more than 60 years, and it was the clubhouse then and we believe it should be The Clubhouse now. It's the perfect name for a place that's meant to be a gathering spot for friends and family. While we're renaming the Public House to The Grill Room, rest assured, the beloved Snack Shack will keep its name.

At The Clubhouse, we'll be serving up delicious entrees from both sea and land - from the freshest catch of the day to a mouthwatering filet mignon. We've listened closely to what our neighbors love to eat, and we're excited to deliver just that, along with a promise to stay open to new ideas! Over at The Grill Room, you'll find a casual menu with all your favorites - from juicy burgers to a classic club sandwich, lobster rolls, and the finest hot dog around. And the best part? Both menus will be available at either restaurant!

But that's not all! Just wait until you see the vibrant, new look we're bringing to the space! Bright colors and local artwork will create a joyful and welcoming atmosphere that we think you're going to love.

We're also giving the catering space a fresh update, and we're excited to create a covered outdoor area for all of you to enjoy in any weather. The outdoor space will also serve as additional event space.

As a family-owned business with more than 130 years of history, we take great pride in being part of the communities we serve. We're not just here to offer great food and service, but to also be a part of your lives. We're committed to aligning with the values of the Village of North Palm Beach residents, and we can't wait to give back by sponsoring community events throughout the year.

We couldn't be more excited and hope you are too. We can't wait to welcome you soon!

Warm regards,

*Michael Lessing*
