

VILLAGE OF NORTH PALM BEACH

CONSTRUCTION SITE STANDARDS

I _____, swear (affirm) that I have read the Village of North Palm Beach Construction Site Standards in its entirety and do hereby agree to comply with all provisions in this document. I further understand that I am responsible for all citations issued for violations of the provisions of this standard.

The rules and regulations in this standard apply to all active construction sites and are a condition of all primary building permits issued by the Village. Failure to follow these standards, or any plans and documents approved by the Village pursuant to this standard, may result in, among other things, a Stop Work Order, and repeated violations may result in the revocation of all building permits.
