- Thursday, June 26 at 6:00 p.m.

Council Meeting Location
Village Hall Council Chambers
501 U.S. Highway One
North Palm Beach, FL 33408

New Chiefs set vision for Police and Fire Departments!

The Village recently swore in two accomplished leaders — Police Chief Robert Coliskey and Fire Chief Scott Freseman — and both are bringing decades of experience, steady leadership, and a deep commitment to keeping our community safe. With strong support from the community, Chiefs Coliskey and Freseman are leading with heart, integrity, and a clear vision for the future.

Congratulations to our new Chiefs!

Police Chief Robert Coliskey gets new badge on May 2, 2025.

Council President Pro Tem Kristin Garrison, Vice Mayor Lisa Interlandi, Mayor Deborah Searcy, Police Chief Robert Coliskey, Fire Chief Scott Freseman, Council members Orlando Puyol and Susan Bickel, and Village Manager Chuck Huff.

Retired Fire Chief JD Armstrong pins new badge on new Fire Chief Scott Freseman.

Village of North Palm Beach
Chuck Huff, Village Manager

Dear Residents of North Palm Beach:

The Village of North Palm Beach is officially kicking off the Fiscal Year 2026 Budget cycle this month. As part of our ongoing commitment to transparency and community involvement, we launched North Palm Beach University (NPB University) in April. This program offers residents an inside look at the operations of each Village department and how your tax dollars are put to work.

Several departments have already completed their presentations, and those sessions are now available for viewing on the Village Hub on our website. We encourage you to take a look and learn more about the important work being done throughout the Village.

Your engagement is important to us as we move through the budget process. We look forward to your input and participation in shaping the future of North Palm Beach.

Chuck Huff
Village Manager
Village of North Palm Beach

Big fun planned at Country Club golf and tennis camps

The Village Country Club is offering two great summer camps!

- **Junior Golf Camp** at the Golf Course is perfect for young golfers ready to sharpen their swing.
- **Tennis Camp** at the Tennis Center offers fun drills and match play to build skills and confidence on the court.

Each camp is designed to keep kids active, engaged, and smiling all summer long. Visit www.villageofnpb.org for details.

Village hosts international style tennis event

The North Palm Beach Country Club Tennis Center recently hosted its own playful spin on the Davis Cup, bringing together regular players and friends for a day of friendly competition and international flair. Eight "countries" were represented (by locals) — USA, Italy, Ireland, Japan, France, Greece, Australia, and Spain, each picked just for fun by players and team captains.

Team USA, captained by Beth Bonato and featuring golf pro Allan, claimed first place, while Australia, led by Jack Wilson, came in second. France, led by Alan Altman, took home "Best Dressed" honors.

It was all about good vibes, friendly matches, and a common enjoyment of tennis! Plans are already in motion to make it an annual event with even more teams next year!

Using the new Anchorage Park boat ramp? Here's what to know!

The Anchorage Park boat ramp is open again! To help keep things running smoothly for everyone, please follow these quick guidelines when using our marina facilities:

Boat Ramp & Trailer Parking

These are for NPB residents only with valid boat launch decals permanently affixed to trailer tongues. No decal = no access. Violators may be cited.

Contractor Boat Repairs

If you've got a contractor working on your boat and they need to use the ramp, give us a heads-up! Call (561) 841-3386 or stop by the office (Monday–Friday, 9 a.m.–5 p.m.).

Commercial Dock/Seawall Work

Planning dock, lift, or seawall repairs? Please notify the office in advance. Contractors must check in at the Anchorage Park Activities building. Note: No commercial ramp use on weekends or holidays.

Thanks for helping keep our marina safe and enjoyable for everyone!

Plant, grow, connect and learn at Village Community Garden

Love to garden or want to give it a try? The North Palm Beach Community Garden is getting ready for a new season, and you're invited to be part of it!

Applications for the 2025-26 gardening season open June 1 and will be available on the Village website at www.villageofnpb.org. The deadline to apply is June 30.

Help cultivate positive environmental outcomes through eco-friendly gardening of edible and native vegetation. A Plant and Seed Swap, Garden Fest and Movie Night in the Garden are planned.

Whether you're a seasoned grower or just starting out, there's a spot for you in our friendly garden community.

Send an email to villageofnpb.communitygarden@gmail.com — we're happy to help you dig in!

Thank you for picking up after your dog

Village Code requires you to clean up after your dog when in any Village park. Please keep your dog leashed always, except while in the fenced dog park at Anchorage Park.

Talkin' Trash: The Do's & Don'ts of Solid Waste

Let's talk trash—literally! Keeping our Village clean, safe, and beautiful is a team effort, and it all starts at the curb. Understanding what goes where, when to set it out, and what to avoid putting in your bins can make a big difference in keeping our solid waste system running smoothly. Here's your ultimate guide to the do's and don'ts of solid waste in North Palm Beach.

Trash Cans: Size DOES Matter

We know our Solid Waste team are everyday heroes, but even heroes have their limits. For the safety of our staff, trash cans must not exceed 32 gallons. This size keeps the load manageable for our crews and helps ensure timely service throughout the Village. Larger containers may not be collected, so please double-check your can before setting it out.

Why the 32-gallon limit? Our Solid Waste team lifts each can by hand to empty it, without the mechanical assistance that some other agencies, like SWA, use. It is up to all of us to make sure our team can safely do their job. Please help keep them safe by using the right-sized can.

Pick the Right Can

Recycling

In the Village, we use two bins for recycling. The blue bin, picked up on Tuesdays, is for plastic, glass, and aluminum containers like soda bottles, milk jugs, soup cans, and glass jars. The yellow bin, collected on Thursdays, is for clean, dry paper and cardboard like newspapers, magazines, cereal boxes, paper towel tubes, and shipping boxes. Always place both bins next to your home by 7:00 a.m., not out in the swale.

Do: Empty all containers before placing them in the bin. Flatten cardboard boxes to save space and help crews quickly identify that the material is clean and free of non-paper products.

Don't: Put plastic bags, greasy pizza boxes, Styrofoam, dirty containers, or anything wet into your recycling. These items can ruin a whole batch of clean recyclables, so it's better to leave them out.

Garbage

Garbage pickup happens Village-wide on Mondays, Wednesdays, and Fridays. Regular household waste like food scraps, diapers, non-recyclable packaging, worn-out clothes, and broken kitchen items belong in your trash can. Trash must be bagged, securely tied, and placed in a sturdy can with a tight-fitting lid.

Do: Always bag your trash to prevent odors, leaks, and pests. Pet waste should be placed inside a regular garbage bag, not loose in the can, even if it's already in a smaller bag. If you're throwing away sharp or broken items, double bag them or wrap them in newspaper to protect our crew.

Don't: Don't leave loose trash or items next to your can, and don't use oversized containers. Never throw away electronics, paint, construction debris, or anything hazardous, they require special handling.

 **Vegetation**

Yard waste includes grass clippings, palm fronds, leaves, branches, and shrub trimmings that you have created yourself, not landscapers or contractors. It's collected on the same days as garbage (M, W, F). Vegetation should be placed in a neat pile, away from storm drains and bulk waste. When trimming, keep branches and fronds no longer than six feet, and stack them as neatly as possible so our crews can collect them quickly and safely.

Do: Place small branches in neat bundles, and tie palm fronds together with twine if you can. Keeping piles compact helps keep the neighborhood looking tidy and makes collection faster.

Don't: Mix rocks, dirt, sod, or any contractor debris with your yard waste. Yard debris should always be kept separate from regular trash and bulk piles to ensure proper pickup.

 **Bulk Pick-Up**

Got an old couch, mattress, or broken microwave? Bulk pickup is by appointment only, every Tuesday and Thursday. Schedule your pickup online at village-npb.org/bulkipickup, and place your items curbside by 7:00 a.m. on your scheduled day. Bulk items include furniture, mattresses, rugs, patio sets, and other large household items.

Do: Schedule your pickup in advance and place bulk items neatly at the curb in a clear, accessible area, never underneath powerlines. If you're unsure where to place items safely, Public Works crews are happy to meet with you to recommend the best location.

Don't: Don't set items out without an appointment. Don't block sidewalks, driveways, storm drains, or place piles under low-hanging wires. And don't mix bulk items with yard waste or regular garbage.

For more information on the Solid Waste Division, please scan the QR code below to visit our website.

You Put *WHAT* in the Bin?!

We have seen a lot out there on the pickup route, and some of it made us do a double take. Our crews work hard to keep the Village clean and safe, but we recently spotted a few surprising "treasures" in the trash that definitely do not belong there, like:

- Sealed cans of paint
- A fire extinguisher
- Loose, unbagged trash

Items like these don't belong in your regular trash. Paint cans are only accepted if the lid is removed and all paint inside is completely dry. Wet paint or sealed cans must go to a hazardous waste facility. Fire extinguishers are also considered hazardous and need special disposal. And loose trash? Always bag it. It's safer for our crews and helps keep things clean.

If you are not sure whether something belongs in your trash can, don't guess. When in doubt, reach out. We are always happy to help!

The Benefits of Keeping Oysters on Seawalls

A message from the Village Environmental Committee

Oysters play a vital role in maintaining the health of our coastal ecosystems, and their presence on seawalls offers a host of environmental benefits.

In North Palm Beach, the Environmental Committee has prioritized oyster restoration as part of its broader clean water initiative. A key element of this effort involves protecting and encouraging the natural growth of oysters on concrete seawalls and pilings, structures where oysters readily attach and thrive.

Contrary to misconceptions, oysters do not harm concrete seawalls or pilings. These filter feeders help stabilize the ecosystem by naturally cleaning the water. A single oyster can filter up to 50 gallons of water per day, removing excess nutrients and improving water clarity. They also support marine biodiversity by

providing habitat for small fish, crabs, and other aquatic organisms.

Unfortunately, services that offer seawall oyster scraping pose a significant threat to these restoration efforts.

Scraping removes not only the oysters but also the progress made by community-driven environmental initiatives focused on improving water quality and ecological balance in the intracoastal waterways.

The Environmental Committee strongly encourages property owners and marine contractors in North Palm Beach to recognize the ecological value of oysters and avoid any unnecessary removal.

Preserving oysters on seawalls is a simple yet powerful way to contribute to the health and resilience of our local waters.

Thanks for joining our Earth Day fun!

Juneteenth | No trash pickup on Thursday, June 19

Residential bulk pickup is done by appointment only

All residential pickup of bulk items in the Village is done only by appointment, but you don't need to be there when our pickup crew arrives.

To schedule a bulk appointment, visit the Village website at www.villageofnpb.org, then click the link for "Trash & Bulk Pickup." Fill out the brief online form to schedule your appointment.

This applies only to bulk items, such as old furniture and appliances. Vegetative yard debris is not a bulk item and will be picked up whenever left in the swale by the property's occupant.

Vegetative debris left by for-hire landscaping crews must be removed by the company.

Debris cut by the resident or homeowner must be put in the swale, clear of powerlines, trees or other obstructions.

TRASH COLLECTION SCHEDULE

- Mondays - Garbage & vegetation
- Tuesdays - Glass & plastic (blue bin) for all homes, and bulk appointments
- Wednesdays - Garbage & yard vegetation
- Thursdays - Paper & cardboard (yellow bin) for all homes, and bulk appointments
- Fridays - Garbage & yard vegetation

SCHEDULE FOR WEEK WHEN HOLIDAY FALLS ON A MONDAY

- Monday Holidays - NO PICK UP
- Tuesday - Garbage/Vegetation
- Wednesday - Recycling-Blue Bin
- Thursday - Recycling-Yellow Bin
- Friday - Garbage/vegetation

Please don't let your trees hang lower than 15 feet over the road

Do you have trees hanging over the road? If so, please trim them to at least 15 feet above the pavement so our fire and sanitation trucks can pass safely. Even small, low-hanging branches can damage our vehicles.

Your cooperation will help protect our fire and sanitation trucks and is greatly appreciated. If you have questions, please call (561) 691-3440.

Youth Symphony looking for musicians!

The North Palm Youth Symphony is now enrolling students ages 7 and up, and beginners are absolutely welcome!

With six orchestra levels and expert instruction, there's a spot for every young string player—violin, viola, cello or bass. It's the most fun way to learn strings under the sun!

Want in? Contact director Victor Fernandez at artisticdirector@npys.org or 850-570-5597, and check out www.NPYS.org. Let the music (and summer fun) begin!

Council members, Business Advisory Board welcome Prime Body Wellness

Prime Body Wellness celebrated their grand opening with a ribbon-cutting ceremony recently, and Village Council and Business Advisory Board members stopped by to show support and chat about all the exciting things happening in North Palm Beach.

Prime Body Wellness is at 772 U.S. 1, suite 101. They say they are ready to blend "cutting-edge treatments with personalized care to help you look and feel your absolute best," and their website says they are an "elite medical spa for advanced aesthetics and rejuvenation."

The Village is happy to welcome Prime Body Wellness as our newest business in the Best Place To Live Under The Sun.

From rock snakes to fire trucks — Village moments worth sharing

There's always something meaningful or fun going on in The Best Place To Live Under The Sun, and since no one can be everywhere at once, here's a little photo roundup capturing just a few recent moments:

- Photos 1 – Village bring Your Kids to Work Day included an unforgettable ride on the police boat!
- Photo 2 – Madeline's Roscoe the Rock Snake is growing in Anchorage Park! Now 103 colorful rocks, up from 22.
- Photo 3 – Our dedicated Public Works staff was honored by the Village Council for their critically important work.
- Photo 4 – Our amazing Village Clerk's Office team was recognized by the Council for their dedicated service.
- Photos 5, 6 & 7 – Students from The Conservatory School visited Village Hall, learned how local government works from Mayor Searcy, got a safety briefing from police detectives, and explored the Fire Station.
- Photo 8 – Councilmembers Puyol and Garrison joined Village Manager Chuck Huff and Fire Chief Scott Freseman to celebrate The Conservatory School's 10th anniversary in the Village.
