

A large field of American flags on poles, waving in the wind. The flags are arranged in rows, creating a sense of depth and repetition. The colors are vibrant, with the red, white, and blue stripes and stars clearly visible. The background is a soft-focus green field.

MAY 2017

A Message From Our New Village Manager - Andy Lukasik

Hi Villagers!

I'm writing to you after a busy first week as Village Manager. You have a great community and I feel very fortunate to have the opportunity to become a part of it.

Prior to arriving in North Palm Beach, I served as the Town Manager for the Town of Jupiter for nearly 13 years. I began working in Jupiter as its first Assistant Town Manager in 2002. While at Jupiter, I lead an organization of 375 employees with an operating budget of \$80 million serving 65,000 residents. Additionally, I worked with community leaders to establish what is now known as the El Sol Neighborhood Resource Center and, along with then-County Commissioner Karen Marcus, attracted The Scripps Research Institute to the Florida Atlantic University campus in Jupiter.

I began my professional career in my hometown of Spring Lake. Spring Lake is a small, water-front community of 2,500 people in west Michigan. After serving two years as the Assistant Village Manager, the Village Council hired me to serve as the Village Manager in 1994. Spring Lake provided me with the opportunity to understand how to work and communicate with the community and address its resident's and business' needs. I worked with committees and citizen groups to plan and operate the annual Spring Lake Heritage Festival and worked with business leaders to redevelop neglected and underutilized properties on the Village's main street and waterfront.

I completed my undergraduate education at the University of Michigan in 1993. Additionally, I attended and played soccer at the University of Detroit and Albion College. I received my Masters of Public Administration from Grand Valley State University in 1998.

My wife, Heather, created and is teaching students in the Pre-Law Academy at Independence Middle School in Jupiter. We have two children, Austin and Alexis, who will both be college freshmen in the fall, 2017.

Although we currently live in Jupiter, Heather and I are eager to move to North Palm Beach and become part of the Village. We look forward to getting to know you.

Thanks again to the Village Council, staff, and the residents who I've met either in my role as Jupiter Town Manager or as part of the Village Manager selection process. You've made North Palm Beach feel like home already!

Sincerely,

Andy Lukasik

This bestselling memoir describes the unexpectedly stressful and anxious lives of Manhattan's most elite set: wealthy Upper East Side women. The author's intention to join the "it" crowd in Manhattan leaves no detail left out, no matter how trivial or painful. She is both a participant and observer of the rituals of wives and mothers in Manhattan's richest neighborhood.

Wednesday Martin has been a features editor for *WOMAN'S WORLD* and a regular contributor to *NEW YORK POST*. She has taught at Yale, the New School, and Baruch College of the City University of New York, and has been featured in radio and television programs, including the BBC, NPR, NBC, and Fox.

The North Palm Beach Library is proud to offer you Rosetta Stone Language Learning software. There are 30 languages (see list below) to choose from and each lesson contains a reading, writing, listening, and speaking portion. Simply visit our website to begin learning, <http://www.village-npb.org/615/Rosetta-Stone>. The product is free to all NPB Library cardholders. There is no software to download. All you need is an Internet connection, computer, tablet, or smartphone to begin learning. How long does it take to master a level? Rosetta Stone states that it takes the average learner 20 weeks (or 30 minutes a day for 5 days a week) to master a level. Latin American Spanish, for example, has 5 levels. That means the average learner could complete all levels in less than 2 years. Questions? Call us 561-841-3383.

Happy Learning!!
