Village of North Palm Beach

“The Best Place to Live Under the Sun”
A Message From Our Village Manager

Andy Lukasik

Hi Villagers!

As some of you may be aware, last year the Village Council adopted the North Palm Beach Citizens’ Master Plan Report (the Master Plan Report can be found on the Village’s website at www.village-npb.org/571/Village-Master-Plan). The Report was developed by community stakeholders in order to determine a clear vision for the future and to help guide investments by the Village. While much of the Report focuses on redevelopment, it also contemplates some changes to transportation in the Village. One of the BIG transportation topics discussed in the Master Plan Report was the number of travel lanes on US1 in the Village.

The Master Plan Report contemplates reducing the number of lanes from six to four between the area just south of the Parker Bridge and the transition into the Town of Lake Park and establishing what is referred to as a “complete street”, which is a street that is designed to balance the needs of drivers, pedestrians, and bicyclists. If you want to learn more about this concept, it is discussed in detail in Appendix B of the Master Plan Report.

The argument to change the configuration of US1 includes the fact that the road is only four lanes on either end of the Village, the Village will have the only six lane-section on US1 once the Village of Tequesta implements its “complete street” project, and the vehicle capacity on US1 is about 30,000 vehicles per day more than the projected volume of traffic in the Village. This means the existing US1 Corridor could be redesigned without affecting the number of vehicles the roadway is able to accommodate.

However, there are a lot of concerns about changing the configuration and most concerns are focused on traffic congestion.

Based upon the conversations that members of the Village Council and I have had with residents, consideration of this proposal is going to elicit a lot of passion and will generate a significant amount of debate. While the Council may not actually consider this proposal for a while, they do want as much public input as possible. So, until the Council begins the public discussion about this issue, we’re asking for residents to share their initial thoughts and concerns about the proposal with them. Please take 5 minutes to complete the survey at the following link: https://www.surveymonkey.com/r/villagenpbus1. Your input will help the Council understand possible concerns and questions about the proposal and afford the Village time to research questions that you might raise in advance of public discussion. If you don’t want to participate in the survey, you can also share your thoughts with me at alukasik@village-npb.org.

Thank you in advance to those who participate in the survey and your interest in the Village!

Enjoy the rest of your summer!

Sincerely,

Andy Lukasik
Village Manager
On behalf of the Village Council, Mayor Aubrey recognized Doug Bush for his service to North Palm Beach as Vice Mayor, President Pro Tem, and Councilmember from 2012-2017.

(L-R, Councilmember Susan Bickel, Vice Mayor Bob Gebbia, Mayor Darryl Aubrey, Doug Bush, President Pro Tem Mark Mullinix)

Palm Beach County League of Cities

2nd VP Robert Gebbia  On May 17th, the Village’s own Vice Mayor, Bob Gebbia, was installed as the 2nd Vice President on the Board of Directors of the Palm Beach County League of Cities, Inc. The League is a non-partisan, non-profit membership organization consisting of all 39 municipalities in Palm Beach County, and over 80 Associate members. The League exists to promote and advance the collective interests of the municipalities of Palm Beach County, Florida; to study municipal issues and seek desired results through cooperative effort; to respect the principles of Home Rule; and to encourage and enhance the quality of life of the citizens of Palm Beach County.  Congratulations Bob!

Celebrate America  Happy 4th of July  North Palm Beach!
**Summer Camp Registration** - openings may remain in the NPB Summer Camp program. Pre-registration is required for all camp programs!! Multiple session discounts apply. Complete schedules and descriptions are available on the recreation pages of [www.village-npb.org](http://www.village-npb.org) or call 561-841-3386.

**Summer Rec Camp** for ages 7-12 years. Weekly sessions, organized activity 9:00 am – 4:00 pm at the NPB Community Center, 1200 Prosperity Farms Rd. Travel 3 days/wk. Fee: $205/$200 (RDF)/wk.

- Session 5: July 3-5-8 (Calypso Bay, Sky Zone, Color Blast Party, Typhoon Lagoon)
- Session 6: July 10-14 (NPB Pool, Roller & Bowler, Summer Formal, The Rapids cookout)
- Session 7: July 17-21 (Peanut Island, Kids Fitness Festival, Disney Dress-up, Magic Kingdom)
- Session 8: July 24-28 (Lion Country Safari, Boomer’s, Pajama Party, Carlin Park Picnic)

**Teen Adventure Camp** for ages 13-15 yrs. Weekly sessions, organized activity 9:00 am – 4:00 pm at the NPB Community Center, 1200 Prosperity Farms Rd. Daily trips to local attractions. Fee: $205/$200(RDF)/wk.

- Session 5: July 3-5-8 (Calypso Bay, SkyZone, Color Blast Party, Typhoon Lagoon)
- Session 6: July 10-14 (NPB Pool, Snorkeling, Roller & Bowler, Summer Formal, The Rapids cookout)

- Session 8: July 24-28 (Lion Country Safari, Sea World, Boomer’s, Pajama Party, Carlin Park Picnic)

**Fishing Camp** for ages 7-14. Half-day instruction and fishing activity 9:00 am - noon at Anchorage Park, 603 Anchorage Drive. Fee: $105/$100(RDF)/wk. This popular educational/entertaining program is presented by Griff’s Fishing Camp. Participants will learn all aspects of fishing from identifying different species of fish, feeding habits, casting techniques, and conservation. They will also learn different fishing knots and water safety. Kids will fish each day, practicing what they have learned. Participants should bring their own fishing equipment; bait will be supplied. This is a Catch & Release program.

- Session 3: July 10 – 14
- Session 4: July 24-28

**Tennis Summer Camp** for ages 4-15 years. Daily or weekly half-day sessions 9:00 am – 1:00 pm at the NPB Tennis Center, 951 U.S Hwy. 1. Listed prices are for members, residents, and non-residents: daily - $40, $45, $47.50 or weekly - $175, $185, $195. Call 561-691-3425 for complete details.

- Session 5: July 3, 5-7
- Session 6: July 10-14
- Session 7: July 17-21
- Session 8: July 24-28
- Session 9: July 31 - Aug. 4
- Session 10: Aug. 7-11

**Baseball Camp** – Wayne (Rosey) Rosenthal is offering 1 session of the popular Summer Baseball Camp at the NPB Community Center. Rosey was the pitching coach for the 2003 World Series Champion Florida Marlins! This camp is for youth 8 – 12 yrs of age and will cover infield/outfield drills, base running, hitting tips, throwing/catching fundamentals, position specific instruction and feature a daily instructional game. Camp session: 9:00 am – 3:00 pm (limited number of extended care positions available – contact Rosey for availability 561-307-9755), $265/$260(RDF).

- Session 1: July 31 – Aug. 4

**Summer Pool Parties** - Pool parties at the NPB Pool continue in July on a bi-weekly basis on Friday evenings from 6:30-9:30 pm. Admission = $1/person. Mark your calendars for July 7, 21, Aug. 4.

**Swim Lessons at the NPB Pool** – We offer all levels of swim lessons for all ages. Our classes are taught by Swim with Gills. We offer group lessons, private and semi-private lessons on weekdays, evenings and weekends! A class to fit every schedule! There is no reason your child should not be able to swim. Call or contact Swim with Gills for a complete schedule or to register for a class at [office@swimwithgills.com](mailto:office@swimwithgills.com) or 561-222-4994.
**Fall Basketball Registration** - We will begin registration for the Fall Youth Basketball league June 1 and continue until full. This league is for youth ages 7 – 14 years. Age groups are as follows: 7-8 yrs, 9-11 yrs, 12-14 yrs. The fee is $85/75(RDF). Each team will have approximately 2 games/week and a practice. Games will be played weeknights and Saturdays at the NPB Community Center starting late July. All participants 9 years + will be drafted onto teams. Call Mary at 841-3389, after 2:00pm for more information. Register online at [www.village-npb.org](http://www.village-npb.org) (dept-parks&rec-activity sched). Sponsorships available for only $150 – get your business name on the shirt of every kid on a team!

**Red White & Boom July 4th Celebration** - We invite you to join us for the annual July 4th celebration at the North Palm Beach Country Club. Activity is planned for the entire day. Local popular country group, the “Andrew Morris Band”, will perform from 7:30 until close. Fireworks launch at approx. 9:00 pm. This celebration is free and open to all. Food and drink are available for a nominal fee. Bring your lawn chairs and blankets and enjoy the fireworks from the golf course.

**Engineering for Kids Camp**

We will offer afternoon sessions of Engineering for Kids. These will be held at the Anchorage Park Activities Bldg from 1:00 – 5:00 pm. Fee: $155/$150(RDF)/ssn

Session 1: July 31- Aug. 4  **Programming and Coding for Kids (Grades 3-5)** What’s more fun than playing an interactive video game? Writing one! Programming and coding are becoming necessary skills for various fields of engineering. Many of today’s engineers spend most of their time in front of a computer: processing, analyzing, and extracting data to help them design, test and improve products and tools. With coding and programming knowledge, today’s engineers can work faster and come up with more creative design solutions that otherwise would be out of reach without programming.

Session 2: August 7-11  **MinecraftEDU and Robotics (Grades 2-5)** MinecraftEDU is an expansive game that lets players design and create unique worlds with amazing structures. One of the more complicated aspects of MinecraftEDU is Redstone, which is MinecraftEDU’s version of electrical circuitry. This program will introduce students to the many uses of Redstone through a Medieval themed adventure of creation, exploration, and castle besieging, with students making mine cart tracks to help them gather resources, working together to build their kingdom, and designing traps to defend their castle, all with the use of Redstone. The Robotics 101 program, students will learn the basics of designing, programming, and controlling a fully functional robot. Using LEGO®, mathematical concepts, and engineering principles students will brainstorm, plan, test, and modify sequences of instructions to accomplish a given task. Students will also learn the sequence of communication between the robot, and the programmer by collecting and analyzing data using the robot’s sensors.

**Anchorage Aweigh Fishing Tournament** - Mark your calendars for the Aug. 12 Anchorage Aweigh Fishing Tournament. This is a fun, family event and we encourage kids’ participation. The tournament is kicked off with a Friday night Captain’s Meeting. Each captain will receive a bucket filled with goodies worth as much as the entry fee! The group receives instructions for the next day as they enjoy food & drink and challenging each other! A “Back to School Pool Party” follows for the entire family! Lines in the water at 6:00 am the following morning! Weigh-in is at Anchorage Park between noon and 3:00 pm, followed by an awards picnic where the entire family is invited to partake. This tournament is limited to 50 boats. We are accepting registrations now.

Sponsors have 1 more week to get on board for this great event. The deadline for getting sponsorship information is July 11. Sponsors will have their business logo on every shirt and on the sponsor banner! Show that your business supports local family events and activities! Call us or visit the recreation pages of [www.village-npb.org](http://www.village-npb.org) and we will tell you how! Contact the Rec. Dept. at 561-841-3386 for more information.

**Food Truck Frenzy** – Mark your August calendar on the 26th for the Food Truck Frenzy that will be held at Anchorage Park from 5:00 -9:00 pm!

Fact or Fiction?

Book Summary: An American woman is summoned by a remote tribe of nomadic Aboriginals, who call themselves the "Real People," to accompany them on a four-month long walkabout through the Outback. While traveling barefoot with them through 1,400 miles of rugged desert terrain, she learns a new way of life, including their methods of healing, based on the wisdom of their 50,000-year-old culture. Ultimately, she experiences a dramatic personal transformation.

Mutant Message Down Under recounts a unique, timely, and powerful life-enhancing message for all humankind: It is not too late to save our world from destruction if we realize that all living things -- be they plants, animals, or human beings -- are part of the same universal oneness. If we heed the message, our lives, like the lives of the Real People, can be filled with this great sense of purpose.

But, did any of this really happen? Is it an accurate account of events? Read the book and join the lively book discussion. Visit the circulation dept. to reserve your copy.

The Northern Palm Beaches Rotary Club recognized Police Officer Edward Ciezak as Officer of the Year, congratulations!

PSA Jim Leicht was recognized at the Traffic Safety Awards Ceremony for his commitment to child safety with an award from the Safety Council of Palm Beach County, congratulations!

Congratulations to Police Officer Shane Mize who received a Lifesaving Award from The Florida Police Chiefs Association.
Sec 6-115 (H) (1) (3) (4) Street numbers.

1. Generally. Every building in the village shall have its street number so affixed to the building or the premises upon which the building is located that it is both visible and legible from the public street.

3. Height - Color. All street numbers shall be a minimum of three (3) inches in height on residential buildings and a minimum of six (6) inches on commercial buildings. Maximum height of all street numbers shall be eight (8) inches. All street numbers shall be a sharply contrasting color with the building.

4. Maintenance. It shall be the duty of the owner of the building to maintain the numbers on the building in good condition.

Sec 15-2 307.4 Care of Premises Open Storage

It shall be unlawful for the owner or occupant of a residential building, structure or property to utilize the premises of such residential property for the open storage of any abandoned motor vehicle, abandoned boat, abandoned trailer, ice box, refrigerator, stove, glass, building material, building rubbish or similar items. It shall be the duty and responsibility of every owner or occupant to keep the premises of such residential property clean and to remove from the premises all such abandoned items listed above.
Fire Rescue

It’s time to celebrate Independence Day. Your Fire Rescue invites you to join us at the NPB Country Club for a professionally produced fireworks show. Far too many people are injured each year using fireworks at home, and you can’t get the same results as the pros anyway. If you still insist on personal fireworks, remember if it makes a noise or fires a projectile it is probably illegal for amateur use. Stick with sparklers and fountains; and only allow adults to handle and light them. Have a happy and SAFE 4th of July!

Nautical Ventures in North Palm Beach has both dry stack and lot storage available!

- Conveniently located at the intersection of US1 and Northlake Boulevard, both ramp and intercostal access is just minutes away.
- Our dry stack has limited slips available, so call now for rates.
