Annual Anchorage Aweigh Fishing Tournament
and
Kids Fishing Derby
Saturday, August 12, 2017

Come Join the Fun!
We look forward to seeing you all there!
(details on pages 5 & 6)
Village Council Budget Workshops

The Village Council will discuss the proposed FY 2017-2018 Budget in detail during its Budget Workshops. Meetings are open to the public and residents are invited to attend. All meetings are held at Village Hall, 501 US 1. Budget Workshops are held in the Conference Room and Public Hearings are held in the Council Chambers.

Note: schedule is subject to change. Check the website calendar or call 841-3355 for more information.

Your Village Budget Process in Action

The budget is... a policy-driven financial plan and legal authorization to expend Village funds during the fiscal year (October 1 through September 30).

The budget provides... a full range of municipal services to residents, including: Police, Fire Rescue, Sanitation, Streets & Grounds Maintenance, Parks & Recreation, Library, Planning/Zoning/Building, Administrative Services, and Public Improvements.

Through the budget process, an annual budget is developed that integrates priorities and short and long-term goals as determined by Council to meet the needs of the Village and establish annual resource allocations. These decisions address desired quality of service, staffing levels, technology needs, equipment, capital improvements, and programs considered by Council to be priorities.

The Village’s budget process relies on a timetable that must be met in order to comply with state requirements for Truth in Millage (TRIM) as well as internal requirements for sound planning and fiscal responsibility. The purpose of the Truth in Millage law is to require full disclosure by taxing authorities to the taxpayers and public of the rates and amount of taxes, prior to levying the taxes.

In July, the Village Manager presents a proposed budget to the Village Council for consideration and further input. This proposal includes all personnel, operating, and capital expenses, along with the revenues required to finance the expenditures. State law requires the Village to advise the County Property Appraiser of our tentative millage rate and the date of our first September millage and budget hearing. The tentative millage rate is the maximum millage rate the Village may consider. Once the tentative millage rate is adopted, it can be lowered but can’t be increased (without an additional notice to each taxpayer). The Property Appraiser mails each property owner the “TRIM Notice” of proposed property taxes and the date of the first public hearing on the budget. The TRIM Notice includes this information for every taxing authority, not just North Palm Beach.

During budget workshop meetings, Council reviews the budget and makes changes as needed to ensure the highest quality of services are provided in the most fiscally efficient manner at the lowest possible millage rate. The proposed budget is then revised to incorporate these changes and the millage rate is adjusted accordingly. Budget workshop meetings are open to the public, and two budget public hearings are held in September so that residents have an opportunity to be heard before final action is taken to approve the budget.
VILLAGE BOARD APPOINTMENTS

The Council made its annual appointments to Village boards and committees in April and June. Our volunteers play an integral role in Village government by providing vital input in the decision-making process regarding present and future programs, policies, and activities.

Many thanks to all who have come forward and given their time and talent in service to our Village. You’re the reason North Palm Beach is the best place to live under the sun!

Please note: board meetings are open to the public; you don’t have to be a member to attend. Meeting dates and times are listed on the back page of the Newsletter and on the website calendar. In addition to the Village Boards, there are many other ways to be involved in our community, such as helping with special events, coaching a sports team, assisting with Library programs, park clean-up, etc. Contact the Clerk’s office (841-3355), Recreation Dept. (841-3386), or North Palm Beach Public Library (841-3383) for more info.

Thank you to our volunteers! Current board, commission, and committee members are:

- **Audit Committee**
  - Tom Magill
  - Emery Newell
  - Richard Podell
  - Christian Searcy
  - David Talley
  - Donald Kazimir, 1st Alt
  - Edward Katz, 2nd Alt

- **Business Advisory Board**
  - James Carpenter
  - Ronald Lantz
  - Lee Newman
  - David Talley

- **Construction Board of Adj**
  - Harry Ackerman
  - Thomas Eissey
  - Charles Isiminger
  - Thomas McCarthy
  - Susan Stokes
  - Scott Studer
  - Stephen Yeckes
  - Frank Giacomelli, 1st Alt
  - Robert Phillips, 2nd Alt

- **Gen Employees Pension Bd**
  - (Council appointed members)
  - James Peterson
  - Alan Kral

- **Police/Fire Pension Board**
  - (Council appointed member)
  - Robert DiGloria

- **Golf Advisory Board**
  - Lois Gruen
  - Steve Mathison
  - Richard Pizzolato
  - Curtis Witters
  - David Talley, 1st Alt
  - Jeffrey Irish, 2nd Alt

- **Infrastructure Surtax Oversight Committee**
  - Cathy Graham
  - Karen Marcus
  - Beverly Robinson
  - Deborah Searcy
  - Patricia Sullivan

- **Library Advisory Board**
  - Christine DelGuzzi
  - Bonnie Jenkins
  - Carolyn Kost
  - Phyllis Wisnner
  - Diane Page
  - John Hess, 1st Alt
  - Brad Avakian, 2nd Alt

- **Planning Commission**
  - Cory Cross
  - Tom Hogarth
  - Jake Furlott
  - Benjamin Schreier
  - Donald Solodar
  - Jeffrey Holst, 1st Alt
  - Jonathan Haigh, 2nd Alt

- **Recreation Advisory Board**
  - Paul Beach
  - Bob Bell
  - Maria Cassidy
  - Donald Grill
  - Tim Hullihan
  - Chris Cantwell, 1st Alt
  - Lisa Interlandi, 2nd Alt

- **Waterways Board**
  - Bruce Crawford
  - Bill Hipple
  - Jerry Sullivan
  - Bob Werner
  - Ed Preli
  - Paul Bartlett, 1st Alt
  - Reid Hansen, 2nd Alt

- **Village Historian**
  - Ruby Holden

- **Zoning Bd of Adjustment**
  - Ted Bukowski
  - Louis Daniello
  - Lane Henderson
  - Stephen Harber
  - Dianne Reeves
  - Curt Sanchez, 1st Alt
  - Richard DiDonna, 2nd Alt

Volunteer Recognition

**Waterways Board**

On behalf of the Village Council, Mayor Aubrey presented a Certificate of Appreciation to Jay Carron for his service on the Waterways Board from 2004-2017

**Zoning Board of Adjustment**

On behalf of the Village Council, Mayor Aubrey presented a Certificate of Appreciation to Roy Chapin for his service on the Zoning Board from 1999-2017
VOLUNTEER OPPORTUNITIES

Anchorage Aweigh Fishing Tournament and Kids Fishing Derby

**Kids Fishing Derby**  Volunteers with fishing experience are needed to help kids bait lines, take fish off lines, etc.

**Date and Time**  August 12th from 2:00 to 3:00 p.m.
**Location**  Anchorage Park sea wall by the boat ramp
**Sign Up**  Recreation Department 841-3386

**Awards Picnic**  Volunteers are needed to pass out food and beverages in the buffet line.

**Date and Time**  August 12th from 4:00 to 5:00 p.m.
**Location**  Anchorage Park tent next to Activities Building
**Sign Up**  Recreation Department 841-3386

---

**Dive In For a Night of Fun!!**

at our **NPBCC Pool Party!!**

**Friday 6:30 - 9:30 pm**

**August 4**

Only $1/person!

**Snack Bar is open so come and enjoy ice cream, pizza, burgers, & much more!!**
**Baseball Camp** – We still have openings in the July 31 - August 4 Baseball Camp. This camp is offered by Wayne (Rosey) Rosenthal and held at the NPB Community Center. Rosey was the pitching coach for the 2003 World Series Champion Florida Marlins! This camp is for youth 7 – 12 yrs of age and will cover infield/outfield drills, base running, hitting tips, throwing/catching fundamentals, position specific instruction and feature a daily instructional game. Camp sessions: 9:00 am – 3:00 pm (limited number of extended care positions available - contact Rosey), $265/$260(RDF).

**Engineering for Kids Camp**
We will offer afternoon sessions of Engineering for Kids. These will be held at the Anchorage Park Activities Bldg from 1:00 – 5:00 pm. Fee: $155/$150(RDF)/ssn

**Session 1:** July 31- Aug. 4 Programming and Coding for Kids (Grades 3-5) What’s more fun than playing an interactive video game? Writing one! Programming and coding are becoming necessary skills for various fields of engineering. Many of today’s engineers spend most of their time in front of a computer: processing, analyzing, and extracting data to help them design, test and improve products and tools. With coding and programming knowledge, today’s engineers can work faster and come up with more creative design solutions that otherwise would be out of reach without programming.

**Session 2:** August 7-11 MinecraftEDU and Robotics (Grades 2-5) MinecraftEDU is an expansive game that lets players design and create unique worlds with amazing structures. One of the more complicated aspects of MinecraftEDU is Redstone, which is MinecraftEDU’s version of electrical circuitry. This program will introduce students to the many uses of Redstone through a Medieval themed adventure of creation, exploration, and castle besieging, with students making mine cart tracks to help them gather resources, working together to build their kingdom, and designing traps to defend their castle, all with the use of Redstone. The Robotics 101 program, students will learn the basics of designing, programming, and controlling a fully functional robot. Using LEGO®, mathematical concepts, and engineering principles students will brainstorm, plan, test, and modify sequences of instructions to accomplish a given task. Students will also learn the sequence of communication between the robot, and the programmer by collecting and analyzing data using the robot's sensors.

**Friday Night Summer Pool Parties** - If you haven’t gone to any of the summer pool parties at the Country Club, you only have 1 more chance; Aug. 4! Admission: $1/person. Food & drink available. No personal coolers. Call 561-691-3427 for details.

**Swim Lessons** - The NPB Recreation Dept. and Swim with Gillis are offering swimming lessons for all ages at the NPB Pool. We offer a wide range of classes, every day at various times, for all skill levels! Call Alberta at 561-222-4994 for a schedule or to get started with a class.

**Anchorage Aweigh Fishing Tournament** - You only have a couple more days to get registered for the August 12 Anchorage Aweigh Fishing Tournament. Teams consist of a captain & 3 anglers. Junior anglers are 14 years of age and under. Lines in the water at 6:00 am. Inshore and offshore divisions. Prizes awarded for largest fish in each category: trout, snapper, sheepshead, king, dolphin, whao, mutton snapper & grouper. We limit this tournament to 50 boats. For more information, please visit [http://www.village-npb.org/467/Anchorage-Aweigh-Fishing-Tournament](http://www.village-npb.org/467/Anchorage-Aweigh-Fishing-Tournament). An awards picnic will be held at Anchorage Park afterwards for all anglers and their families/friends. Call the Recreation Dept. at 561-841-3386 for details.

**Kids Fishing Derby** – Saturday, Aug. 12 – 2:00 pm at Anchorage Park. Kids should bring their own fishing gear. Age groups are 7 yrs and under, 8 yrs and older. Prize for largest fish in each age group! Prizes will be awarded at the awards picnic for the Fishing Tournament at 5:00 pm.
Food Truck Frenzy – The end-of-summer Food Truck Frenzy will be held at Anchorage Park on Saturday, Aug. 26 from 6:00 – 9:00 pm. Please note that we are starting an hour later due to the summer heat! This Frenzy will have a wide variety of delicious foods from 18 different trucks! Many of your favorites are returning and a couple new ones will be on hand. Bring your lawn chairs, blankets & appetites!

Touch-a-Truck – October will be here before you know it! Mark your calendars for the October 7 Touch-a-Truck and Fire Safety Fair to be held at Anchorage Park! This fun event is from 10:00 am – 1:00 pm. In addition to approximately 30 great vehicles to explore, this event will feature fire demonstrations, safety displays and more! FREE and open to all!

Fall Class Registration – check out the schedule for classes that will begin in September. We offer many ongoing classes and new ones! Call 561-841-3386 for information!
Campers indulge in 3 days of golf instruction with PGA professionals and supervised swim in our Olympic size pool!!

SESSION: August 8, 9, 10
Tuesday - Thursday 8:30am - 1:30pm
Ages 5 - 15 $175.00
For more details call 561-691-3421 or email cmitchell@village-npb.org
What is stormwater runoff?
Stormwater runoff results when rain falls on surfaces that cannot absorb it (like pavement or rooftops, or ground that is already saturated from rain) and flows overland toward stormwater inlets, swales, ditches, canals, lakes, wetlands, or coastal waters.

Why is it a pollution problem?
As stormwater runoff flows over land, it can pick up debris, chemicals, dirt, and other pollutants and carry these unwanted items into nearby waterways. Even if the runoff enters a stormwater system, much of it is discharged untreated into the waterbodies we use for swimming, fishing, and providing drinking water.

Polluted stormwater runoff can have many adverse effects on plants, fish, animals, and people. Sediment can cloud the water and make it difficult or impossible for aquatic plants to grow. Sediment can also destroy aquatic habitats and harm organisms. Excess nutrients can cause algae blooms. When algae die, they decompose in a process that removes oxygen from the water. Fish and other aquatic organisms can’t exist in water with dissolved oxygen levels that are too low. Bacteria and other pathogens can wash into swimming areas and create health hazards, often making beach closures necessary.

What’s it got to do with ME?
Most of the unwanted pollutants that end up on our water bodies come from human activities. We litter. We throw or dump things into storm drains. We fail to pick up after our pets. We over-fertilize and over-water. We blow or sweep leaves and grass clippings into the streets and/or swales. These activities, and many more, result in personal pollution that you can help prevent!!

Where can I get more information?
Visit the Stormwater and Me! Website at www.stormwaterandme.org.

Only stormwater belongs in a storm drain!
PUBLIC WORKS

We are still in the converting process from the old Cushman jitneys over to the new Kubota’s. As time goes by, you will begin to see more of the new Kubota’s out collecting refuse within the Village. At the present time we are receiving two (2) Kubota’s about every two weeks and we will be ordering five (5) more next year to complete the order.

SCHOOL BUS TRAFFIC SAFETY

As we near the end of summer, there has likely been an increase in roadway traffic. A major component of this increased traffic is due to the number of school buses that transport children to and from their destination. In addition, the increase in pedestrian traffic is now more prevalent due to children that walk to school and to the bus stop. It is important to remember that safety is always the first priority for everyone involved. Be mindful of the route you travel and where there are designated posted “school zones” which during specific morning and afternoon hours have a decreased speed limit. These school zones are monitored daily by traffic enforcement officers to ensure that the roads are being travelled safely by everyone.

Remember, when travelling behind a school bus that they often make frequent stops to pick up and drop off children. These buses are equipped with flashing lights and stop signs to make drivers aware of each stop. It is against the law to pass a school bus in either direction when this equipment is activated so be mindful when you see a school bus come to a stop. School buses stop at all railroad crossings as well which at times may temporarily affect traffic flow. It is also encouraged to use caution if passing a school bus that appears to have completed its task because children may unintentionally attempt to cross a street and not immediately be visible to you. In keeping all of these tips in mind we’re all better prepared on how to safely share the roadways with school buses and their passengers.

The entire yard where exposed to public view must be landscaped. Play areas, flowerbeds, driveways, walks, etc., not intended to have vegetative cover should be clearly defined and maintained free of uncultivated growth.

Landscaping shall be maintained so as to present a healthy, neat and orderly appearance at least equal to the original installation and shall be mowed or trimmed in a manner and at a frequency so as not to detract from the appearance of the general area. Any grass and brush growing in excess of twelve (12) inches in height, dead trees, trash, and garbage shall be removed from the premises. Landscaping shall be maintained to minimize property damage and public hazards, including the removal of low hanging branches over sidewalks and paved areas and those obstructing street lighting and traffic control signs.

All undeveloped properties must have grass or other suitable live landscape materials planted over the entire site. While undeveloped properties may be irrigated utilizing an irrigation system, electrical service to such properties shall be prohibited. Formerly developed vacant lots with a planting plan approved pursuant to section 45-36 of the village code shall adhere to the requirements of that plan. All undeveloped properties and vacant lots shall undergo regular maintenance, including, but not limited to, pruning, edging, mulching, or any other necessary actions consistent with generally accepted horticultural practices.

Landscaping shall be kept free of visible signs of insects and disease and appropriately irrigated and fertilized to enable landscaping to be in a healthy condition.

All roadways, curbs and sidewalks shall be edged to prevent encroachment from the adjacent turf areas.
**Little Listeners Story Time**

**Tuesdays 9:30 AM**

**For ages 17 months - age 3**

Our Little Listeners Story Time for toddlers is a fun way to introduce early literacy skills to little ones on the move. Plenty of movement activities will emphasize body awareness, rhythm, and gross motor skills as they dance and jump along to the music. They will begin to develop listening skills and letter recognition through interactive stories, flannel boards, and rhymes. The program will end with learning centers to help toddlers with cooperative play and fine motor skills.

---

**Rising Readers Story Time**

**Tuesdays 10:30 AM**

**For ages 3 - 5**

Story Time for Rising Readers is for pre-school aged children to practice early literacy skills and improve their letter recognition in an enjoyable and interactive way. This program is filled with songs, rhymes, and flannel boards to teach preschoolers listening skills, interpersonal skills, and phonological awareness (the ability to hear and identify the little sounds that make up words). At the program’s end, preschoolers will engage in learning centers designed to promote fine motor and writing skills.

---

**Baby Time for the Young and the Restless**

**Tuesdays 11:30 AM**

**For birth – 17 months**

No child is too young to start developing early literacy skills and have a great time at the library! Come join us for a fun, interactive experience filled with stories, rhymes, and music. At Baby Time, children will learn joint attention skills as we read and sing along together. At the end of the program, your baby can show off his or her gross motor movements as they engage in sensory and exploratory play with other babies.

---

**Solar Eclipse Party**

**Monday, August 21 2:00 pm to 4:00 pm**

Where will you be for the greatest phenomenon of your life?!?!? Do not be left in the dark wondering what just happened???

Be prepared for one of the greatest events of the century. This could be the only solar eclipse you will ever witness...

Crafts + Story + Refreshments + Trivia + Solar Glasses

---

**Wednesdays 10:30 AM**

**For age 2 – 5**
Rosetta Stone Language Learning software.

There are 30 languages (see list below) to choose from and each lesson contains a reading, writing, listening, and speaking portion. The product is free to all NPB Library cardholders. There is no software to download. All you need is an Internet connection, computer, tablet, or smartphone to begin learning.

Happy Learning!!

30 Languages Arabic, Chinese (Mandarin), Dari, Dutch, English (American), English (British), Filipino (Tagalog), French, German, Greek, Hebrew, Hindi, Indonesian, Irish, Italian, Japanese, Korean, Latin, Pashto, Persian (Farsi), Polish, Portuguese (Brazil), Russian, Spanish (Latin America), Spanish (Spain), Swahili, Swedish, Turkish, Urdu, Vietnamese.

FRIENDS of the LIBRARY INC.
A Nonprofit Tax Exempt Corporation

Our Library needs Friends like you!

Complete this application and mail or bring to the library with your membership dues payable by check to Friends of the NPB Library or by cash. All membership dues and donations to the Friends are tax deductible.

We are a 501 (c) (3) organization.

Name: ____________________________
Address: ____________________________
Phone: ____________________________
E-mail Address: ____________________________
Date: __________

Annual Dues:

□ Individual $10 □ Family $15
□ Sponsor $ 25 □ Patron $ 50
□ Life Membership $100
□ Corporate $100 -$500

I would like to volunteer for:

□ Bake Sale □ Book Sale □ Planning Events

Your membership dues provide funds to the Library for additional programs including the very popular children's summer programs and services that are not otherwise paid for by the Library budget.

BENEFITS OF MEMBERSHIP INCLUDE:

A SPECIAL LIBRARY CARD, MEMBERS ONLY EXCLUSIVE PREBOOK SALE EVENT AND EMAIL UPDATES AND REMINDERS.
Meditation 101

Many people practice meditation to gain inner peace or to help relieve the physical symptoms of medical conditions. Blood pressure and stress hormones decrease as heart rate and breathing slow.

Basic Meditation Routine
1. Pick a place and time free of distractions.
2. Sit comfortably with your spine erect.
3. Close your eyes and quietly take slow, deep breaths.
4. Focus on your breathing or a peaceful image. Each time your mind wanders, gently bring it back.

Try to meditate 15-30 minutes each day during stretching or while falling asleep. When feeling overwhelmed, brief meditation can provide a quiet break.
