Anchorage Park Update

The improvements to Anchorage Park are becoming easier to see as several important upgrades have been completed this summer by the Public Works Department.

- New walking path and landscaping across the north side of the park.
- Repaired and installed new irrigation systems wide.
- Installed new ball field sod and clay.
- Placed 700 cubic yards of fill and 55,000 square feet of new sod in the park “bowl” area.
- Installed 8,000 square feet of sod in the small dog park.

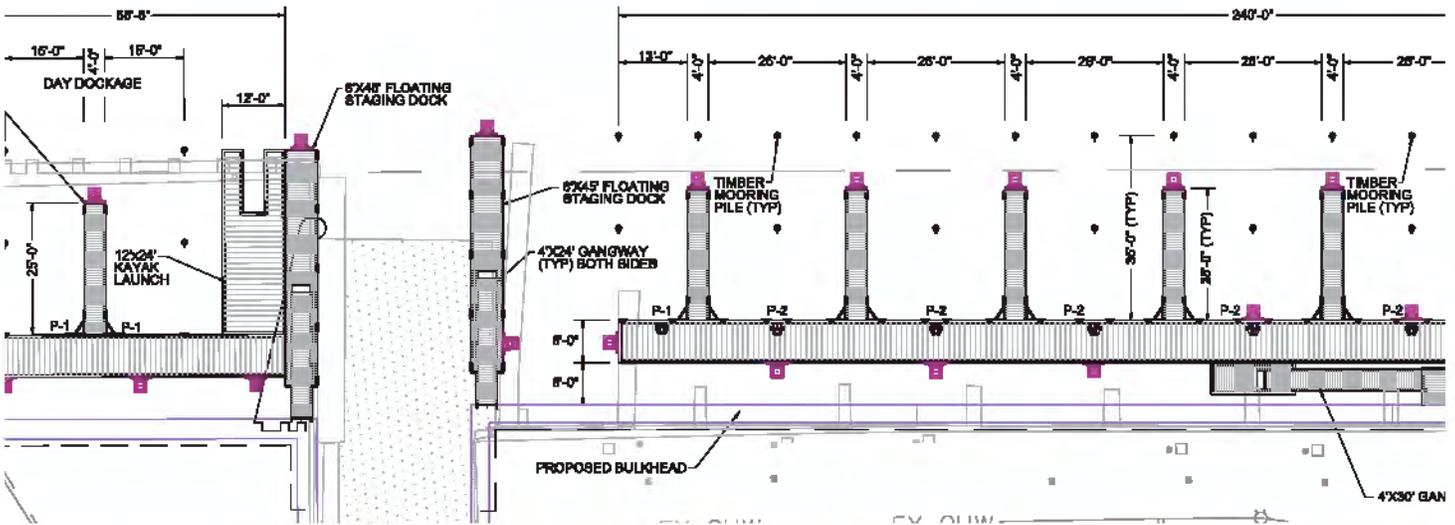

New docks will leave a little extra room on boat ramp

Are you curious to know what the Anchorage Park Marina docks and boat slips will look like once they are installed along with the new seawall? This architectural diagram gives an idea.

The darkened areas are the floating docks, which will rise and descend with the tides. They will be guided by pilings (the pink squares) that are sunk into the lake bed. The light gray lines represent the old design and docks.

When the old metal floating dock on the south side (left when facing the water) is removed, the access ramp will have more room than before, so two boats still can be loaded side-by-side.

This partial view shows 10 of the 16 slips that will be constructed north of the ramp, as well as the north staging dock and gangway. Additional seawall work to the south will begin as funding becomes available.

Public Safety building gets needed new roof

Police officers and fire fighters can feel a little better about their workplace now that their headquarters has a new roof to keep out the rain. Leaks were increasing and staff had to be shuffled between offices to avoid puddles and constant dripping on rainy days.

Help keep Village crime rate low by calling 911 - it's o.k.

A message from the Village Police Department

Always feel free to call 911 in North Palm Beach if you are unsure about a person in your neighborhood.

Do not be afraid you might offend that person by calling. The bad guys know how to exploit your kindness, but in light of all the news stories about crime, someone who is there for legitimate purposes usually will understand and not be offended if the police show up. If they are, it probably means you were correct to call in the first place!

Furthermore, officers know full well that the suspicious person may be completely innocent, so it's not like they wrongly put someone in jail just because you called the police. They are trained to ask the right questions, explain why they are there, and to get to the bottom of the issue. If the person is not there for criminal purposes, all is well and they will soon be on their way. But the police can't do their job if no one calls 911, so don't feel intimidated about calling.

And you don't have to wait for it to escalate to a life-or-death situation before you call. 911 should be used for any active situation that's happening. In the Village, the non-emergency number, (561) 848-2525, can be used to report minor incidents that have passed when there is no concern about safety. But if you are unsure which number to call, then don't hesitate — call 911.

If you text, make sure to put in your LOCATION!

High Visibility Enforcement to improve pedestrian, bike safety

Palm Beach County ranks in the top 25 counties in the state for traffic crashes resulting in serious and fatal injuries to pedestrians and bicyclists.

In an effort to protect the safety of these most vulnerable road users, the North Palm Beach Police Department is conducting High Visibility Enforcement Details (HVE) until May 17, 2019 in North Palm Beach. This area is over-represented in traffic crashes resulting in serious and fatal injuries to pedestrians and bicyclists.

HVE details are funded through a contract with the University of North Florida in partnership with the Florida Department of Transportation's focused initiative to improve pedestrian and bicycle safety.

The goal of this enforcement effort is to increase awareness of and compliance with traffic laws that protect the safety of pedestrians and bicyclists.

Enforcement efforts will focus primarily on education to drivers, pedestrians, and bicyclists.

However, violations may result in warnings or citations depending on the circumstances.

Remember:

Drivers, obey speed limits, never drive impaired, and always watch for pedestrians and bicyclists.

Bicyclists, obey traffic laws, ride in the direction of traffic, and use lights when riding at night.

Pedestrians, cross in crosswalks or at intersections, obey pedestrian signals, and make sure you are visible to drivers when walking at night.

SANTA'S VISITS

Saturday, Dec. 22 at 10 a.m.

Santa will be on a fire truck riding through the streets of North Palm Beach. If you hear the trucks, run outside so Santa is sure to stop by your house!

Council sets property tax at \$7.50

The Village Council recently set the budget and property tax rate for fiscal year 2018/2019, which runs through Sept. 30, 2019.

The Council voted 4-1, with Vice Mayor Mark Mullinix voting “No,” to set the budget at \$27,858,058. That’s how much money the Village will have to work with for the next year.

The Council also voted 4-1, with Vice Mayor Mark Mullinix voting “No,” to set a new property tax rate of \$7.50 for every \$1,000 in assessed value. The previous tax rate was \$7.33.

Council members worked for several weeks to review details of the budget and set priorities for Village staff.

Expenditures include:

- A Recreation Master Plan
- A U.S. Highway 1 Corridor Study for business development
- A Residential Code Update
- A vehicle lease program
- Three new staff positions:
 1. General Manager for the

- Country Club
- 2. Code Officer
- 3. Two Part-Time Sanitation Collectors

- A storm-water fee analysis
- A balanced 5-year Capital Improvement Program
 1. Pool
 2. Anchorage Park
 3. U.S. Highway 1 and Prosperity Farm bridge designs

The new budget also includes \$2,880,256 for the operation of the Country Club.

Addressing the new \$7.50 millage rate’s impact on the typical North Palm Beach residential taxpayer, Village Manager Andy Lukasik said the increase would add about \$59.50 to their annual tax bill. He said the average tax increase per commercial property is \$151.43.

A brief overview of the 2018/2019 budget is on the Village website at www.village-npb.com.

Children

Little Listeners Story Time

Tuesdays at 9:30 a.m.

Ages 17 months - age 3

Our Little Listeners Storytime for toddlers is a fun way to introduce early literacy skills to little ones on the move. Plenty of movement activities will emphasize body awareness, rhythm, and gross motor skills as they dance and jump along to the music. They will begin to develop listening skills and letter recognition through interactive stories, flannel boards, and rhymes. The program will end with learning centers to help toddlers with cooperative play and fine motor skills.

Rising Readers Story Time

Tuesdays at 10:30 a.m.

Ages 3 - 5

Storytime for Rising Readers is for pre-school aged children to practice early literacy skills and improve their letter recognition in an enjoyable and interactive way. This program is filled with songs, rhymes, and flannel boards to teach preschoolers listening skills, interpersonal skills, and phonological awareness (the ability to hear and identify the little sounds that make up words). At the program's end, preschoolers will engage in learning centers designed to promote fine motor and writing skills.

Baby Time for the Young and Restless

Tuesdays at 11:30 a.m.

Age Birth—17 months

No child is too young to start developing early literacy skills and have a great time at the library! Come join us for a fun, interactive experience filled with stories, rhymes, and music. At Baby Time, children will

learn joint attention skills as we read and sing along together. At the end of the program, your baby can show off his or her gross motor movements as they engage in sensory and exploratory play with other babies.

Story Time

Wednesdays at 10:30 a.m.

Ages 2-5

Veterans Day ceremony set for Monday, Nov. 12

U.S. Army Sergeant Troy Caicedo will be the keynote speaker, and Briley Crisafi will sing The National Anthem and God Bless America at the Village Annual Veterans Day ceremony on Monday, November 12.

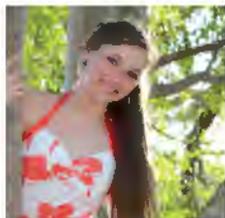

Sgt. Troy Caicedo

Sgt. Caicedo is an Advance Medical Support Assistant at the Veterans Administration Hospital in West Palm Beach who served two tours of duty in Iraq

and three rotations as a contractor in Afghanistan.

He now is pursuing a graduate degree in Homeland Security while working full time at the V.A., and honorably fulfills his Daddy Duties while his wife completes her schooling in pursuit of one day running her own business, and he is active in the Warfighter Community, helping other veterans through several non-profit organizations.

Briley Crisafi

The ceremony will begin at 9 a.m. in Veterans Memorial Park, 303 Anchorage Drive (next to the Village Library).

The Village of North Palm Beach welcomes Sgt. Caicedo as a special guest at the important annual Veterans Day Ceremony, and appreciates Ms. Crisafi for contributing her time and notable talent to this very special event.

Could You Pass the Test?

Monday, Nov. 5 from 5 to 6 p.m.
Our most popular seminar is "Could You Pass the Test?," in which participants see how they fare on the U.S. citizenship test - fun and interactive. Did you know 75 percent of those asked could name the Three Stooges, but only 42 percent could name the three branches of government?

Could You Pass the Test assesses knowledge of the U.S. and Florida constitutions. Some questions are taken from the U.S. citizenship test. What branch of Government makes the laws?

America's Boating Course

Tuesday to Thursday, Nov. 6, 7 & 8 from 5 to 7:30 p.m. Open to the public, 12 years or older Learn to Skipper a Boat with Confidence!

Course meets the requirements of Florida law, which requires that anyone born on or after Jan. 1, 1988 must pass an approved boating course to operate a motor vessel of 10 or more HP in Florida. The course covers:
Boating terms, types, charts, fueling, safety, handling, anchoring, trailering, and Personal Water Craft

- Required equipment, navigation lights, boat registration, law enforcement and Florida regulations.
- Aids to navigation, rules, and emergencies including use of VHF radio.
- Review of homework, overall review, final exam and awarding of certificates, membership interviews.

Successful completion of this course will qualify that person to obtain a Florida Boating Safety Education I.D. Card. You do not have to own a boat to take this course, however, if you had to handle someone else's boat in an emergency, would you know how to cope? Take the course, learn from the experts. You never know when that bit of knowledge will become useful!

Want to do something for our military?

Time to offer our troops some extra holiday gratitude

Here are the ways you can make a difference and show your support:

- Make a monetary donation; no amount is too small. Funds will help purchase items and pay for shipping. Deliver your tax-exempt contribution to the Clerk's office or mail to Support Our Troops USA, Inc. P.O. Box 14211, NPB FL 33408.
- Write cards and letters encouraging our servicemen and servicewomen. Each care package we send contains cards and letters – the items most cherished by our soldiers.
- Donate items we send. We particularly need new DVD movies, holiday decorations, basic toiletries (shampoo, conditioner, toothpaste, lip balm, eye drops), crossword puzzles and word search books, and individually packaged snacks like crackers, cookies, protein bars, trail mix, Slim Jims (beef only), gum, Rice Krispy treats, candy canes and hard candy. Due to postal deadlines, we need donations delivered to the Clerk's Office by November 9th.
- Volunteer to help at our donation drive. If you can help, please call Bob Gebbia at (561) 351-8459.

Members of the International City Manager's Association recently recognized the Village's 55th anniversary as a council-manager form of government. The council-manager form of government allows for the expertise of a city manager to run the organization, while the elected Mayor and Council set the budget priorities. Pictured with the Council are Boynton Beach City Manager Lori LaVerriere, Greenacres City Manager Andrea McCue, and Briny Breezes Town Manager Dale Sugerman.

Village Clubhouse is “going vertical”

Walls on 1st floor begin to rise above foundation

With the foundation of the new Village Country Club building set in concrete and the shape of the clubhouse clearly visible, the walls of the landmark structure are now beginning to rise.

Construction crews are working daily at the site, installing steel reinforcement bars, pouring concrete and laying cinder blocks to establish the walls and columns that will hold up the second floor.

Most of the work that’s been done has been several feet below ground level, so it is not easily visible to anyone passing by. However, as the walls continue to rise and the second floor of the clubhouse is built, the work will be visible from the road or sidewalk.

And the new grass is growing healthy on the golf course, so the front nine holes will be open soon.

Visit www.village-npb.org for details or to find out when.
