Country Club Update

Golf Course is open while construction of Clubhouse continues strong

After being closed for seven months of renovations, the Village’s 18-hole Jack Nicklaus Signature golf course is now open for play with new grass throughout the course. Construction of the new clubhouse continues on site, so the golf course, driving range and pro shop are being managed temporarily from a trailer on site. The new clubhouse will open in late summer.

Book a tee time
Golfers can book a tee time online at www.village-npb.org, or they can call (561) 691-3434.

Driving range is open
The driving range is now open, but golfers should call to confirm before coming out. The number is (561) 691-3433. The driving range and golf course are being managed from a temporary structure until the new clubhouse opens this summer. Hours are 7 a.m. to 8 p.m. and it closes on Sundays at 5 p.m.

Pool closed for renovations
The Village pool is temporarily closed. Major renovations to the pump room and deck are in progress. The pool will re-open in late summer.

Tennis Center is open
The Tennis Center at the Country Club remains open to the public. If brief closures are needed during construction, notices will be posted on the Village website and on the Village’s Facebook and Twitter accounts at @VillageNBP, and on the local social media platform called Nextdoor. The phone number for the Tennis Center is (561) 691-3425.

Frequent player cards to be issued in lieu of summer memberships
As part of the ongoing effort to continue turf growth and improvement, there will be no summer golf memberships offered for 2019. Instead, the Village is offering a frequent player card for the purchase of 12 rounds of golf at a discounted price. The card will be sold in a limited quantity and will allow usage from June 1 to Sept. 30.

No reciprocal program this summer
Also, the Country Club is not participating in summer reciprocal programs with area clubs this year, but will offer limited reciprocal arrangements should the course be closed for maintenance or an unforeseen event.
Golf course and tennis parking lot has a temporary new entrance

*Follow signs to entrance near tennis courts, northbound traffic must cross Parker Bridge*

Because of construction, the traffic light entrance to the Country Club at U.S. Highway 1 and Yacht Club Drive now leads only to the parking lot for the driving range and pool.

A temporary entrance for the golf course and tennis courts is now open about 200 yards north of the traffic light. As a result, the golf and tennis parking lot can now be entered only from the southbound lanes on U.S. Highway 1.

Therefore, to enter the golf and tennis parking lot when approaching from the south, drivers must continue on U.S. Highway 1 over the Parker drawbridge, then turn around at Golfview Road and head south to the temporary opening, marked by yellow flags as shown in the photo.

Also, when leaving the golf and tennis parking lot, drivers must turn right (southbound), because the median on U.S. 1 will not allow for a left turn out of the temporary set up.

The main entrance at the traffic light will again provide access to the golf course and tennis courts once parking lot construction is complete.

In the meantime, please use caution when entering or leaving the Country Club property and pay close attention to the traffic directional signs.

**Restaurant at the Clubhouse**

The Village Council has contracted with Farmer’s Table Boca to operate the restaurant and banquet rooms at the new clubhouse. More details in next month’s issue.

**Why renovate the Country Club?**

The clubhouse and pool were built for $400,000 and opened in 1963. In recent years, escalating costs of maintenance and repairs prompted the Village Council to fund construction of a new clubhouse, which will include a community room/banquet facility, restaurant, pro shop, locker rooms and storage for Village golf carts.

**Cost of construction**

The Village Council has approved a total budget of $18,922,527 for the project, including the demolition of the old clubhouse, construction of the new one, redesign of the parking lot and improvements to the pool. The Village took out a $15,000,000 loan to fund the project.

**Frequent updates on social media**

Updates about progress at the Country Club and golf course are posted frequently on the Village’s Facebook and Twitter pages at @VillageNPB, and on the Nextdoor neighborhood site, which requires an account to view.
**Golf Course**

**The Village is holding a series of monthly citizen workshops to plan for future business development on U.S. Highway 1 and on Northlake Boulevard.**

At the meetings, consultants will present proposed changes to the Village Code of Ordinances that are intended to encourage private sector investment in local business properties.

Public involvement is critically important to the redevelopment process and to the future of the Village life and property values, so residents are strongly encouraged to attend and to get involved.

Meetings begin at 6:30 p.m. in the Council Chambers.

Future meeting dates are:
- May 13
- June 6 (tentative)

**Welcome Back!**

Mark Calcavecchia (center) grew up golfing at the Village Country Club, then went on to be a successful PGA Tour Professional. He won 13 PGA Tour events, including the 1989 Open Championship. He returned to the Country Club recently for a few rounds on the new greens and spent some time with Village golf staff. The Village is proud to welcome him back.

**Golf Notes**

**Our New First Hole-in-One**

Congratulations to CJ Karbowicz for an Ace on the Fifth Hole on April 3. It was the first recorded hole-in-one since the golf course re-opening.

**Golf Course closed June 3 (one day)**

Monday, June 3 – Golf course closed for aeration.

Other summer aeration dates: Aug. 5, Sept. 9.

**Snow Birds**

Have a safe journey home and we look forward to your return next fall. We anticipate having a golf course in a much improved condition after a full summer growing season, and our fabulous new clubhouse will be open on your return.

**Allan’s Answers**

Bunker Play in Soft Sand:

Many times golf instruction talks about sand wedges and greenside bunker swings that should be vertical in nature (up and down) to help get the ball out of the sand.

At my last club, when we had recently completed a bunker renovation project – the sand was very soft and similar to NPBCC – I was able to teach some students to keep the club face more square (no need to open it if there is already 56 degrees of loft on it) and let the club go around you on the backswing a little (hence not so vertical).

A good visual to help you understand: Think of a chocolate pie with lots of whip cream – if you want to take a sliver of whip cream and not get any cake, how would you do it? Apply the same concept to the bunker shot – take less sand and do not dig so much.

I sincerely thank all of you for your kind words and your friendship.

**Best wishes,**

Protect Yourself From Car Thieves

- Park in areas with good lighting
- Doors and windows locked at all times
- Consider installing a GPS tracking system
- If you have side mirrors that fold in, ensure they do so when locked. Thieves look for unfolded mirrors, which suggest an unlocked car with the key inside
- Do not leave car running and unattended
- Install a loud alarm and a visible steering wheel locking device
- Don’t leave anything that would attract attention. An ashtray of coins is a pot of gold to a thief!
- Do not leave spare key in or near your car
