# Country Club Update

## Golf Course closed June 2-4

Golf Course: The golf course will close Sunday evening, June 2 at 5 p.m. for turf aeration. It will re-open on Tuesday, June 4 at 12 p.m. (The golf course is closed on Monday, June 3).

## Book a tee time

Golfers can book a tee time online at [www.village-npb.org](http://www.village-npb.org), or call (561) 691-3434.

## Improved landscaping

The warmth and rain of spring is helping to mature the new Bermuda grass, Latitude 36. The full summer growing season will aid in the further establishment and maturity of the grass. Also, grounds crews are re-sodding some select areas, (mostly around bunkers) where the new turf did not establish itself for a variety of reasons.

## Pool closed for renovations

The Village pool is temporarily closed. Major renovations to the pump room and deck are in progress. The pool will re-open in late summer.

## Tennis Center is open

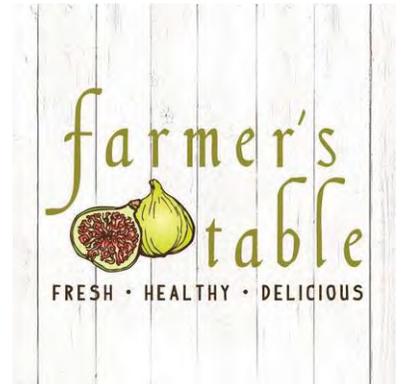

The Tennis Center at the Country Club remains open to the public. If brief closures are needed during construction, notices will be posted on the Village website and on the Village’s Facebook and Twitter accounts at @VillageNPB, and on the local social media platform called Nextdoor. The phone number for the Tennis Center is (561) 691-3425.

## Restaurant at the Clubhouse

Farmer’s Table Boca continues to prepare for the grand opening of the Country Club later this year. The Village contracted with Farmer’s Table to operate the restaurant and banquet rooms, and to provide food services at the golf course and pool.

The popular restaurant offers a variety of fresh foods in their Boca Raton location. They will offer similar healthy food choices at the Country Club, in addition to a few traditional menu items. Joey Giannuzzi is planning the new restaurant and the recipes that will be offered in the Village restaurant.

“We are so excited to bring health and wellness to North Palm Beach the way we do at Farmer’s Table Boca,” he said. His enthusiasm is matched on the Village Council, which selected the restaurant after tasting a sample

of Farmer’s Table creations at a Council meeting earlier this year. They were impressed by the quality of the food and said they see great potential in the idea that menu items could be healthy and delicious at the same time.

Giannuzzi said the new restaurant will serve breakfast, lunch and dinner, and will cater the special events and bookings that are expected at the multi-purpose banquet room, which will seat up to 200 people and offer a spectacular panoramic view of the golf course.

In addition to the restaurant and banquet services, Farmer’s Table will operate a snack bar out at the pool, and an innovative idea called “Farmer’s Table Express,” which allows health-minded people on a tight schedule to choose from a daily selection of freshly prepared meals that are ready for quick pick up at the Clubhouse.

-Continued on page 5

The Farmer’s Table restaurant at the new Village Clubhouse will have an ambiance and design similar to their Boca Raton restaurant, pictured here.

-Continued from page 4

Giannuzzi said the restaurant also is planning for frequent community events and activities that will encourage residents to come out and “say hello” to their neighbors. He said the events will be themed, (such as an “Italian Night” or “Barbecue Night”) and include music and other entertainment.

In the meantime, restaurant and Village staff are working to purchase the specialized equipment and furniture needed to ensure that visitors have a dining experience that is second to none.

Already, residents are calling Village Hall to book the banquet room for private events, while growing excitement and anticipation is sure to help Farmer’s Table become one of the most popular dining destinations in North County.

## *Electric Golf Carts*

Green and Red Posts: Golf Carts shall remain on the cart path until they pass the green post – then the scatter rule will apply. When a player gets to the red post (about 25-50 yards short of the green) – they must return to the cart path before passing the red post. Carts on Par 3s are to remain on the cart paths. Players that are requiring handicap flags should be prepared to provide any necessary documentation.

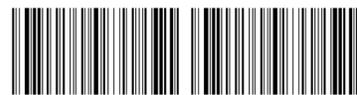

## *Frequent player cards offered instead of summer memberships*

North Palm Beach will not be selling summer membership in 2019, nor will we be participating in reciprocal play unless our golf course is closed for maintenance. We will be offering a Frequent Player Card for \$545.70 which will allow a golfer to play 12 rounds between June 1 and Sept. 30, 2019. Only a limited number of cards will be sold and the cards will go on sale on May 6.

## *Allan’s Answers*

**“Stay Limber to keep it out of the Timber.”  
What does that mean?**

In order to play our best golf we must be aware of the pressures that we put on ourselves. Success in difficult shots or pressure situations is not a recipe for trying harder or gripping the club tighter.

In other words – make sure your body keeps turning to the target – your grip pressure remains neutral and your rhythm (effort level) remains well below capacity. I also recommend a cleansing breath immediately before beginning the back swing (helps to blow the stress away).

**Thanks for your support**

Thank you for all the good wishes. Recently I played at Belfair Country Club in Bluffton, South Carolina, in the National Club Pro Championship. It was covered by the golf channel.

I had qualified for this prestigious tournament last year. It was truly a spectacular event, with galleries, tour vans and so much more. Although, I fell short of my goal, playing all 4 days (I shot 74-78 and missed the cut by 4).

I learned two valuable lessons: Older Professionals are craftier than the young guns and the short game is truly a difference maker at all levels.

**Best wishes,

## Village officer popular with kids at The Conservatory School

North Palm Beach Police Officer Russell Johnson was recently honored by the kids at The Conservatory School, who made a portrait of him and thanked him on the school's social media. Officer Johnson is assigned to the school full time and enjoys working with the children, interacting with them and keeping a sharp eye out for their safety.

He says he realizes he may be the only police officer a child ever gets a chance to talk to, so he knows he needs to make a good impression.

And for the kids, that impression is something special. They look up to him not only because he is a friendly face they see every day, with one of the coolest jobs in the world, but because they admire his service to the nation when he was a soldier in the U.S. Army.

Officer Johnson served more than three years and was stationed in Iraq for more than a year, beginning in 2006.

In that time, Officer Johnson earned:

- A Bronze Star Medal with Valor
- A Combat Infantryman Badge
- An Army Accommodation Medal
- An Iraq Campaign Medal
- A Joint Service Meritorious Unit Ribbon

- A Global War on Terrorism Ribbon
- A National Defense Service Ribbon
- An Army Service Ribbon

His accomplishments are impressive, to be sure, but it's his daily attitude that impresses both the kids and adults at the school.

Chief Rick Jenkins says he is impressed by Officer Johnson's dedication to the community and the Police Department, and that the officer's rare qualities are a great example to anyone who meets him.

## Statistics from amateur fireworks use reveal potential dangers

The North Palm Beach Fire Rescue Department reminds you that fireworks can be dangerous.

The U.S. Consumer Product Safety Commission says there were 12,900 firework-related injuries for the year in 2017, with 67% occurring within the weeks surrounding July 4th. Children accounted for more than a third of those injuries.

According to the National Fire Protection Association, "fireworks start an average of 18,500 fires per year, including 1,300 structure fires, 300 vehicle fires, and 16,900 outside and other fires."

These fires caused an average of three deaths, 40 civilian injuries, and an average of \$43 million in direct property damage.

The Fire Department urges you to use care if you use

fireworks this year and to follow these important safety tips:

- DO NOT use fireworks that explode, shoot or fly.
- Use fireworks outdoors ONLY.
- Read and follow all instructions on fireworks.
- Obey all local laws when using fireworks.
- Closely supervise children when fireworks are being used. Only adults should ignite the fireworks.
- Always have a bucket of water or sand

nearby.

- Alcohol and fireworks do not mix.
- Never try to reignite used or faulty fireworks.

Enjoy Independence Day celebrations by using fireworks safely or consider a safer option: enjoy public displays of fireworks conducted by trained professionals.

# Fireworks on July 4th? Leave it to the professionals

## Fireworks Safety

The Village fireworks show is run by pyrotechnical professionals and is closely monitored by the Village Fire Department. As a result, it is the safest way to enjoy fireworks while celebrating 243 years of American independence.

The Village Fire Department urges residents to leave the fireworks to the professionals and not to ignite personal fireworks at home. Additionally, the Police Department wants residents to know that fireworks are illegal if they explode like a firecracker, or if they shoot into the air like a bottle rocket.

THERE IS NO LAW THAT ALLOWS USE OF THESE ITEMS FOR CELEBRATORY PURPOSES.

## Don't get conned into signing a form

It is true that SELLERS offer a form that allows specific types of fireworks for agricultural purposes, but that form benefits the SELLER because it was the buyer who represented that the fireworks were being purchased for agricultural purposes. THE FIREWORKS FORM DOES NOT PROTECT THE BUYER or otherwise legitimize the possession and use of illegal fireworks.

## Firearms

Also, it is illegal to shoot a gun into the air for celebration, and it is extremely dangerous. The law of gravity dictates

that the bullets come down at the same speed as when they left the barrel of the gun.

And if an officer, whether uniformed or undercover, or another citizen, witnesses someone shooting a gun, that could lead to a dangerous encounter. It's not worth the risk!

Village police officers and fire fighters do not want anyone to be hurt or arrested on July 4th this year, so please consider taking their advice seriously.

Head out to the Village fireworks show, enjoy the time with your family, friends and neighbors, then head back home safe.

It's a great way to celebrate Independence Day.

## Annual Village fireworks show returns on July 4th!

The Annual Fourth of July Village Fireworks Show is back this year at the Country Club! Because of construction of the clubhouse, Village staff is still working out the details about parking and vendors, so be sure to check the Village website at [www.village-npb.org](http://www.village-npb.org), and the Facebook and Twitter pages at @VillageNPB, as well as the July edition of this newsletter. All the latest updates and details will be posted as plans develop.

## NPB Pool closed for renovation

The Village pool was closed on April 1st for work on the pool deck and the pump room.

The work is being done as part of the rebuild of the clubhouse and renovation of the golf course so that the Country Club will be as much a part of the Village's future as it was part of its past.

Once a re-opening date is determined, it will be posted on the Village website at [www.village-npb.org](http://www.village-npb.org), and on the Facebook and Twitter pages at @VillageNPB.

For info, call (561) 841-3386.

## Beware of con artists claiming to be law enforcement officials

The Village Police Department wants you to beware of a phone scam that criminals are doing to steal your money. If you get a call saying that you have pay to avoid arrest — beware, it's a scam — so don't fall for it.

Here's an example: You get a call from a supposed law enforcement officer or court official saying you missed jury duty.

They say there is a warrant for your arrest and you must pay a fine immediately to avoid a trip to jail. It's all a lie, so just hang up. You will not be in trouble with the police.

Sometimes, the scammer uses a device to generate a fake

phone number on your caller ID to make you think they are legitimate. The number may even be familiar to you, but it's just a trick. Often, the victim is told to stay on the phone until the bogus fine is paid, and the caller tells the victim to purchase a gift card and read the account number over the phone as payment.

There are many variations to this crime, but it's all just a rip off to get your money.

Simply put, law enforcement and the courts do not work that way, so never give out any financial information over the telephone.

And if you get a call like this, just hang up.

### Sustainable Land Use

***Wednesday, June 5 at 6 p.m.***  
 Our planet is huge, and we tend to think of it as having an endless supply of the things that sustain life. In this century, however, Earth’s population will surpass 10-billion people – a 25% increase.

All inhabitants will need access to clean air, clean water, and food to thrive. How we use our planet’s habitable land areas now, and in the future, is a critical underlying factor to how we plan for Earth’s sustainable future.

Timothy Hullihan holds a Masters of Architecture degree from Clemson University. He will discuss some challenges and solutions to using our finite supply of land more sustainably so our planet can support a growing population well into the future. (45 Minute Lecture)

## Teens

### 2019 Summer Reading Program (Teens) “A Universe of Stories”

***Starting June 11***  
***For teens entering 6th through 12th grade.***

Discover “A Universe of Stories” at the North Palm Beach Library! Teens can participate in cooking classes, technology days, “teen’s choice” book discussions, and themed games and activities, as well as sign up to read six books that are over 100 pages.

Those who succeed will receive a reading award, those who read eight books will be entered into a drawing for a grand prize, and the one who reads the most books will receive a grand prize.

Teens also can serve as volunteers this summer. Volunteering includes helping set up and clean up children summer programs, assisting children during the programs, and helping with library chores. Volunteering will occur between June 11 and Aug. 1. If you are interested in helping us, please fill out our volunteer application, found on our website, or, pick up a form at the library and submit it to the youth services desk no later than June 10.

The “A Universe of Stories” children & teen summer library program is sponsored by the Friends of the North Palm Beach Public Library to encourage children to continue reading over the summer so their valuable reading skills will not be lost.

## Tuesday Programs

Enjoy themed activities and games, such as All About that Space, Glow in the Dark Day, Harry Potter Day, and Celebrity Day.

## Wednesday Programs

Bring your apron for a cooking extravaganza, followed by a Book Discussion every other week. Teens can pick a book of their choosing and discuss it with the group.

## Thursday Programs

Come dressed ready to sweat through a game of dodge ball, tug of war, or participate in relay races.

## Friday Programs

Summon your inner Techie and help us create a summer blog/vlog. Record your activities and experiences at the Library to look back on for years to come. Podcasting and other tech-based activities too.

Teens can sign up at the youth services circulation desk, or call (561) 841-3383.

# Children

## Little Listeners Story Time

**Tuesdays at 9:30 a.m.**  
**Ages 17 months - age 3**

Our Little Listeners Storytime for toddlers is a fun way to introduce early literacy skills to little ones on the move. Plenty of movement activities will emphasize body awareness, rhythm, and gross motor skills as they dance and jump to the music.

They will begin to develop listening skills and letter recognition through interactive stories, flannel boards, and rhymes. The program will end with learning centers to help toddlers with cooperative play and fine motor skills.

## Story Time

**Wednesdays at 10:30 a.m.**  
**Ages 2-5**

Come join us for a fun, interactive experience filled with stories, rhymes, and music.

## Rising Readers Story Time

**Tuesdays at 10:30 a.m.**  
**Ages 3 - 5**

Storytime for Rising Readers is for preschool children to practice literacy skills and improve letter recognition in an enjoyable and interactive way. This program is filled with songs, rhymes, and flannel boards to teach listening skills, interpersonal skills, and phonological awareness (the ability to hear and identify the little sounds that make up words). At the program's end, they will engage in learning centers designed to promote fine motor and writing skills.

## Baby Time for the Young and Restless

**Tuesdays at 11:30 a.m.**  
**Age Birth—17 months**

No child is too young to start developing early literacy skills and have a great time at the library! Join us for a fun, interactive experience filled with stories, rhymes, and music. Children will learn joint attention skills as we read and sing along together. At the end of the program, your baby can show off his or her gross motor movements as they engage in sensory and exploratory play with other babies.

## Read to a Dog

**Wednesdays** from 3 to 4:30 p.m.  
Share a story with Pearl the American Bulldog Limited space of six. All ages and abilities.

## Babies and Brews

**Fridays** from 9 to 10 a.m.  
Playtime for them, coffee for you. Join us for unstructured playtime. We provide coffee, tea, and toys. You provide the baby, 0-20 months.

## 2019 Summer Reading Program (Kids) “A Universe of Stories”

**Starting June 3**

**For entering kindergarten through 5th grade.**

Pick up your reading log at the service desk to record the books you read and receive our special stamp every time you attend a program on Tuesday or Wednesday. Collect 10 stamps and receive a special prize at the Summer Finale Party!

Seating for Tuesday and Wednesday programs is limited and based on a first come, first served basis. Arrive 30 minutes early to reserve a seat. Adults or children not of the appropriate age may not get a seat depending on crowd size.

### Tuesday Programs

**June 11 at 3:30 p.m.**

**Science Tellers: Aliens Escape from Earth**

During a midnight meteor shower, something mysterious falls from the sky toward Earth. Two curious kids venture into the forest to investigate and find themselves mixed up with a family of visitors from another planet! Don't miss this alien adventure using science experiments for special effects.

**July 9 at 2 p.m.**

**Page Turner Adventures: Book from Outer Space**

Everyone becomes the HERO in this hilarious COMIC COSMIC QUEST! With Juggling, Magic, Comedy and an epic adventure that's out of this world! Because in space ... no one can hear you LAUGH.

**July 23**

**Stars and Constellations Show in Discovery Dome**

What are stars made of? Find out as our science educator takes you into the night sky in a 360° inflatable planetarium to learn about constellations.

Activities will be provided during waiting periods.

Multiple shows at 2, 3 and 4 p.m. 45 min. presentations.

### Wednesdays Programs

**June 19 at 2 p.m.**

**Jurassic Parts: Chemistry Magic Show**

This program will show students how chemical reactions are truly magical while explaining the science behind them. This is a great program to introduce even the youngest students into the world of chemistry or end a semester with a show they will never forget.

**June 26 at 2 p.m.**

**Jurassic Parts: Liquid Nitrogen Magic Show**

A magic show of epic proportions, this show will introduce children to the wonders of liquid nitrogen and how its effects on objects is truly magical. Lots of audience participation and fun!

**July 3 at 2 p.m.**

**Jurassic Parts: Meteorite Lab**

Students will use magnifying glasses to examine meteorites from around the world. We will also do an experiment to show how craters are formed. Finally, each student will get to take a genuine meteorite home with them!

## Last Code Update workshop tentatively set for June 6

The last of several citizen workshops to plan for future business development on U.S. Highway 1 and on Northlake Boulevard is tentatively set for June 6.

If the meeting is held, consultants will answer follow-up questions from Council, Village staff and citizens about proposed changes to the Village Code that are intended to encourage private investment in local business properties.

Public involvement is important to the process and to the future of the Village, so residents are encouraged to attend.

The meeting will begin at 6:30 p.m. in the Council Chambers, but since it is tentative, check the Village website at [www.village-npb.org](http://www.village-npb.org) and the Facebook and Twitter pages at @VillageNPB before heading out.

## *Hurricane season is here. Are you ready?*

Hurricane season begins June 1 and lasts through November 30. Whether you have lived in South Florida for a lifetime or you are new here, now is the time to prepare for hurricane season and to make a plan in case a storm hits the area this year.

To help you plan, the Village has a web page for Hurricane Preparedness and Recovery at:

**[www.PrepareTheVillage.com](http://www.PrepareTheVillage.com)**

On this page you will find links to resources from several agencies to help you stay safe in a storm, minimize damage and recover quickly. The links have information about the three phases of preparation:

- Before a storm
- During a storm
- After a storm

The page also has a link to the Palm Beach County Hurricane Evacuation Zone look-up tool. If an evacuation is ordered, you would hear that “Zone A, B or C” should evacuate. You should know which you are in if an evacuation order is issued. Use the Evacuation Zone tool to see what Evacuation Zone you live in.

Any evacuation notices affecting Village residents

will be posted on the Village website, as well as on the Village Facebook and Twitter pages at @VillageNPB, and on Nextdoor.com (Note: A Nextdoor account usually takes several days to set up because the company mails a verification card to your home address before approving an account).

Spending a little time now to familiarize yourself with the resources at **[www.PrepareTheVillage.com](http://www.PrepareTheVillage.com)** may help avoid a lot of trouble later on.

## Council honors football coach

The Village Council recently commended Coach Jack Daniels, who has led the football team at Dwyer High School for 23 years. In that time, he sent more than 100 local kids on to college programs, with seven making it to the NFL. He grew up in the Village and is recognized as an outstanding teacher in the Exceptional Education Program at Dwyer High.

## Donate your books to Village Library

Don't throw away your books. Keep your favorite North Palm Beach Library in mind and donate them where they can get another chance at life. We are always accepting beautiful donations. All proceeds from donated books go towards the library, too!

# Library offers teen summer program and volunteer opportunities

Teens are encouraged to sign up for “A Universe of Stories” at the Teen Summer Library Program, June 11 to Aug. 1. Teens are invited to check out books and read for prizes and to take part in special programs offered throughout the summer.

Programs include cooking classes, technology days, “teen’s choice” book discussions, and themed games and activities. Beginning June 11, teens from middle to high school can register to attend these free events at our youth services desk.

Teens also can sign up to read six books that are over 100 pages each, between June 11 and Aug. 1. Those who succeed will receive a reading award, those who read eight books will be entered into a drawing for a grand prize, and one participant who reads the most books of all participants will receive a grand prize.

Teens also can serve as volunteers this summer.

Volunteering includes helping set up and clean up children summer programs, assisting children during the programs, and helping with library chores. Volunteering will occur between June 11 and Aug. 1. Parents and teens will need

to pick up a volunteer application form at Library and submit it to the youth services desk no later than June 10.

The “A Universe of Stories” children & teen summer library program is sponsored by the Friends of the North Palm Beach Public Library.

## Library’s Rosetta Stone software available for 30 foreign languages
