Country Club Update

New landscaping contractor

BrightView Golf Maintenance has been hired as the new golf course maintenance team. The Village received seven bids for the golf maintenance contract and the evaluation committee unanimously selected BrightView.

Their management team includes a golf course architect, former superintendents and an agronomist.

Golf course staff and BrightView are working quickly to maximize the remainder of the summer growing season.

July 4th Fireworks Show

To all those that plan to view the fireworks from the Country Club – please respect the golf course – stay off the greens and tees, bring folding chairs and blankets to sit in, and please keep the children out of the bunkers! The course will close to golfers at 6 p.m. on the Fourth and re-open on July 5 at 8 a.m.

Pool closed for renovations

The Village pool is temporarily closed. Major renovations to the pump room and deck are in progress.

The pool will re-open in late summer.

Tennis Center is open

The Tennis Center at the Country Club remains open to the public. If brief closures are needed during construction, notices will be posted on the Village website and on the Village’s Facebook and Twitter accounts at @VillageNPB, and on the local social media platform called Nextdoor. The phone number for the Tennis Center is (561) 691-3425.

**Village Golf Pro team wins
PGA Senior Series**

ATLANTIS, FL – Playing in their first-ever South Florida PGA Section event since joining the SFPGA, the North Palm Beach Country Club duo of Allan Bowman, PGA Director of Golf and Chris Dachisen, PGA Assistant Golf Professional won the 2019 Senior Series Pro-Pro at the Country Club of Coral Springs.

After getting off to a fast start, making birdies on each of their first six holes, Bowman and Dachisen never looked back, carding a 12-under 59 to win by one stroke over Tony Kelley, PGA Assistant Golf Professional at the Island Country Club and JC Anderson, PGA Director of Instruction at the Club at the Strand.

Bowman, Dachisen, Kelley and Anderson finished with 12 and 11 birdies apiece, respectfully.

The event featured 52 professionals aged 50 who joined together in teams to compete in an 18 hole better ball format.

**Frequent player cards offered
instead of summer memberships**

The Country Club is not selling summer membership in 2019, nor will we be participating in reciprocal play unless our golf course is closed for maintenance.

Instead, we will be offering a Frequent Player Card for \$545.70. It allows 12 rounds until Sept. 30, 2019.

Allan's Answers

“All successful short game players make the smallest swing possible!”

What?

As you analyze your short, select a club that allows you to make the smallest swing possible to accomplish the task at hand. It is always much easier to keep the ball rolling along the ground instead of trying to put it in the air.

It is easier to putt then chip – easier to chip then pitch – easier to pitch then lob. The bigger the swing the bigger the mistakes! The same also applies for lay-up shots on holes.

Instead of laying up with a full 8 iron, try making a smaller swing with a 7 iron (with a little practice I promise that you too will hit these shots more solid).

**Best wishes,
Allan Bowman

Fireworks on July 4th? Leave it to the professionals

Fireworks Safety

The Village fireworks show is run by pyrotechnical professionals and is closely monitored by the Village Fire Department. As a result, it is the safest way to enjoy fireworks while celebrating 243 years of American independence.

The Village Fire Department urges residents to leave the fireworks to the professionals and not to ignite personal fireworks at home. Additionally, the Police Department wants residents to know that fireworks are illegal if they explode like a firecracker, or if they shoot into the air like a bottle rocket.

THERE IS NO LAW THAT ALLOWS USE OF THESE ITEMS FOR CELEBRATORY PURPOSES.

Don't get conned into signing a form

It is true that SELLERS offer a form that allows specific types of fireworks for agricultural purposes, but that form benefits the SELLER because it was the buyer who represented that the fireworks were being purchased for agricultural purposes. THE FIREWORKS FORM DOES NOT PROTECT THE BUYER or otherwise legitimize the possession and use of illegal fireworks.

Firearms

Also, it is illegal to shoot a gun into the air for celebration, and it is extremely dangerous. The law

of gravity dictates that the bullets come down at the same speed as when they left the barrel of the gun.

And if an officer, whether uniformed or undercover, or another citizen, witnesses someone shooting a gun, that could lead to a dangerous encounter. It's not worth the risk!

Village police officers and fire fighters do not want anyone to be hurt or arrested on July 4th this year, so please consider taking their advice seriously.

The Village fireworks show is a great place to safely enjoy time with family, friends and neighbors.

It's a great way to celebrate Independence Day.

Statistics from amateur fireworks use reveal potential dangers

The North Palm Beach Fire Rescue Department reminds you that fireworks can be dangerous.

The U.S. Consumer Product Safety Commission says there were 12,900 firework-related injuries for the year in 2017, with 67% occurring within the weeks surrounding July 4th. Children accounted for more than a third of those injuries.

According to the National Fire Protection Association, "fireworks start an average of 18,500 fires per year, including 1,300 structure fires, 300 vehicle fires, and 16,900 outside and other fires."

The Fire Department urges you to use care if you use fireworks this year and to follow these important safety tips:

- DO NOT use fireworks that explode, shoot or fly.
- Use fireworks outdoors ONLY.
- Read and follow all instructions on fireworks.
- Obey all local laws when using fireworks.
- Closely supervise children.
- Only adults should ignite the fireworks.
- Always have a bucket of water or sand nearby.
- Alcohol and fireworks do not mix.
- Never try to reignite used or faulty fireworks.

Use fireworks safely or consider a safer option: public displays of fireworks conducted by trained professionals.

Hurricane season is here. Are you ready?

Whether you have lived in South Florida for a lifetime or you are new here, now is the time to make a plan in case a storm hits the area this year.

To help you plan, the Village has a webpage for Hurricane Preparedness and Recovery at:

www.PrepareTheVillage.com

On this page you will find links to resources from several agencies to help you stay safe in a storm, minimize damage and recover quickly. The Village follows the guidelines of the Palm Beach County Division of Emergency Management, which advises residents to:

1. Make a plan
2. Build a kit
3. Get involved
4. Be informed

The page also has a link to the Palm Beach County Hurricane Evacuation Zone look-up tool. If an evacuation is ordered, you would hear that “Zone A, B or C” should evacuate. You should know which you are in if an evacuation order is issued. Use the Evacuation Zone tool to see what Evacuation Zone you live in.

Any evacuation notices affecting Village residents will be posted on the Village website, as well as on the Village Facebook and Twitter pages at @VillageNPB, and on Nextdoor.com (Note: A Nextdoor account usually takes several days to set up because the company mails a verification card to your home address before approving an account).

Spending a little time now to familiarize yourself with the resources at **www.PrepareTheVillage.com** may help avoid a lot of trouble later on.

Annual Anchorage Aweigh and Kids Fishing Tournament is Aug. 10

The Anchorage Aweigh Fishing Tournament is set for Saturday, August 10. This is a fun family event where child participation is encouraged.

Public Works is getting it done!

Anchorage Park Docks

New floating docks and a gangway are now ready for use on the north side of boat ramp at Anchorage Park Marina. On the south side, a new gangway and floating dock with a canoe launch is in place.

The gangway on the south side of the boat ramp has been removed and replaced with a floating gangway extending from the seawall. The result is now an additional 6 to 8 feet more space for loading boats on the ramp.

Additional docks will be installed along the south seawall as money becomes available later this year.

Community Center trail and sign

A new 10-foot wide asphalt trail has been completed. At ½-miles long, it's a great place for strollers, jogging, dog walking, or getting the kids out for some healthy movement. Cost was \$114,840. And the sign out front has a new color and design.

Yacht Club Drive seawall repair

Repairs to seawall on the south side of Yacht Club Drive are complete. Dirt behind the seawall was washing into the channel that leads to the Intracoastal, creating a hole under the sidewalk.

Sidewalk repairs

Cutting and grinding high spots, making cracks level and eliminating potential trip hazards. In the last two years, they fixed about 3,000 spots. Now they've mapped out another 557 trouble spots for this round of work, which will cost \$34,101.

New playground floor

New wood chips have been installed on the playgrounds in Osborne and Lakeside Parks. The Parks and Recreation Department assisted.
