# Scott Freseman promoted to District Chief of Fire Dept.

In a recent ceremony led by Fire Chief JD Armstrong, Lt. Scott Freseman was promoted to the position of District Chief of the North Palm Beach Fire Department.

District Chief Freseman has been serving the Village as a firefighter since May of 2001. He began as a volunteer and became a full-time employee later that year. In February 2009 he was promoted to lieutenant. His title was changed to captain in 2018 along with other lieutenants.

Chief Armstrong said he has a lot of confidence in District Chief Freseman because of his long service to the Village and because he is certified not only as a firefighter, but as a fire officer, inspector and instructor as well.

Freseman is a longtime Village resident, so he knows the community very well, Chief Armstrong said.

Congratulations District Chief Freseman on your well-deserved promotion.

## Trash, recycling, bulk item pickup

The Village provides trash collection services three days a week for household garbage, two days a week for vegetation, and once a week for recyclables.

Residents must provide their own trash cans and place them outside for "side door service." Bulk items, vegetation, and recycling should be placed by the curb. Everything should be ready for pick up by 7 a.m.

And whenever a holiday falls on a Thursday, bulk and recycling pick-up will be done on the Tuesday before. This way, those items will not be left outside for nearly two weeks.

Vegetation, trash or bulk items that come from any business or are generated by a hired contractor, such as a landscaper or home repair person, must be hauled away from the property by the contractor. Local contractors should know this already.

For information call the Public Works Sanitation Division at (561) 691-3440.

## TRASH COLLECTION DAYS 2019

- **Monday - Garbage & vegetation**
- **Tuesday - Bulk & recycling (multi-family)**
- **Wednesday - Garbage & yard vegetation**
- **Thursday - Bulk & recycling (single-family)**
- **Friday - Garbage & yard vegetation**

**NOTE: When a holiday falls on a Thursday, bulk & recycling pick-up will be the Tuesday before**

# Village Police Department offers tips for a safe Halloween

The Village Police Department wants to make sure that Halloween is safe this year for everyone. Here are a few tips to keep in mind:

- Small children should always be accompanied by a parent or other designated responsible adult.
- If parents decide older children can go trick-or-treating without adult supervision, they should make sure the kids travel in a group.
- Keep in mind that most trick-or-treating is done after dark so plan on bringing a flashlight or glow stick to illuminate your pathway and show others that you are in the area.
- Reflective outer clothing is always a smart choice when preparing for the evening.
- Have a designated route that is planned ahead so that you and your trick-or-treaters are familiar with the area.
- Remember to obey the rules of the road and take into consideration that it may be dark and harder for motorists to see you.
- Remind children to only visit the homes where there is an exterior porch light on or where it is known that the home participates in trick-or-treating.
- Educating children not to go inside a stranger's home nor eat any treats before returning home are also good ideas.
- Put down electronic devices and keep heads up when crossing the street.

## FEMA recommends flood insurance

According to FEMA, approximately 80 percent of households impacted by recent storms did not have flood insurance. And FEMA wants you to know, that whether you are in or out of a high-risk flood area—everyone needs flood insurance.

Floods are the nation's most common and costly natural disaster, causing billions of dollars in damage each year.

Homeowner and rental insurance typically do not cover flood damage.

Floods can happen anywhere. In fact, 98 percent of counties in the United States have experienced a flood and more than 20 percent of flood claims come from properties outside the high-risk flood zone.

If your property is in a low-to-moderate flood risk area, your flood insurance could be much more affordable than you might think.

Just one inch of water in an average-sized home can cost more than

\$25,000 in damage. You can re-cover faster and more fully after a disaster with flood insurance. Call your agent and buy a policy today.

There's typically a 30-day wait period between when you purchase the policy and when it becomes effective.

Find questions to ask your agent to ensure you purchase the coverage you need at [FloodSmart.gov](http://FloodSmart.gov).

### What You Need to Know

You can submit a flood insurance claim even in the absence of a Presidential disaster declaration.

Most federal disaster assistance comes in the form of low-interest disaster loans from U.S. Small Business Administration (SBA).

A claim against your flood insurance policy may provide more funds for recovery than those you could qualify for from FEMA or SBA after a Presidential disaster declaration.

# Country Club Update

The Grand Opening events for the Village Country Club have been rescheduled to Friday and Saturday, Nov. 15-16. However, weather and other factors can affect plans, so be sure to check the Village website, Facebook and Twitter pages before coming out to confirm the opening day events and times.

Progress on the new clubhouse continues with many

visual details now being completed. Below are photos of roof tiles ready for installation, new foliage outside the building and on the pool patio, the memorial brick paver deck, the dark wood shelving and customer service counter in the golf shop and the entry area to the freezers, where Farmer's Table restaurant will store food. Also, some of the exterior walls have a first coat of paint, so the clubhouse color can now be seen.

## *Snowbirds, we look forward to your return!*

The golf staff at the North Palm Beach Country Club looks forward to your return to "The Best Place to Golf Under the Sun." The team is looking forward to spending more time with NPBCC members this winter and to building relationships with each.

The staff is hopeful that you will see the progress that has been made during your time away, and that you will continue reading the NPBCC monthly newsletters to stay informed.

## *Membership renewals*

NPBCC membership coordinator, Lenore Dingle, recently sent messages and reminders about the upcoming membership season. Membership runs from Oct. 1 through Sept. 30 and renewal applications are due by Oct. 1.

There is a waiting list for open positions in membership, so it is recommended you renew soon. Otherwise, a delay might cause you to miss the new membership year.

If membership renewal applications have not been received by Oct. 1, golf staff will begin to contact applicants on the waiting list.

## *Golf course status*

The golf course staff is in the final phases of completing remediation bunker work. The work includes areas outside of the bunkers, where much-needed sod was installed.

The golf grounds crew will spend the next few weeks (remainder of the height of growing season) focusing on a complete grow-in of these areas.

## *Driving Range*

Staff is focused on growing in the driving range and anticipates returning to grass in the 2nd half of October. Upon return to grass, new yellow pinnacle range balls will be used.

# Touch-A-Truck & Fire Safety Fair set for October 5

The Annual Village Fire Safety Fair and Touch-A-Truck event is Saturday, October 5 in Anchorage Park.

The event includes face painting, food, family fun and games, fire fighting demonstrations, and a variety of working trucks that make life possible in the modern world.

It's a great learning experience for kids and adults, and is popular every year. Adding to the fun will be a raffle for a ride to school in a Village fire truck!

This is a fun opportunity to see the equipment firefighters use and to meet the people who train and work hard to keep the Village safe around the clock.

The goal of the event is to remind people to look, listen and learn, to be aware of fire danger, and to make a home plan for escaping a fire safely.

The event is from 10 a.m. to 1 p.m. There is no cost for admission.

The address of Anchorage Park is 603 Anchorage Drive.

# Support Our Troops donations matched until Nov. 1

The Support Our Troops organization is only weeks away from sending Holiday Care Packages to soldiers.

Here the ways you can help show your support:

- Make a monetary donation; no amount is too small. Funds will help purchase items and pay for shipping. An anonymous donor will match all funds received by November 1 up to \$3,000! Deliver your tax-exempt contribution to the Clerk's Office or mail it to Support Our Troops USA, Inc.
- Write cards and letters. Each "care package" sent will contain cards and letters. These items are most cherished by our soldiers.
- Donate items we send. We particularly need CDs and DVDs, holiday decorations, and individually wrapped snacks like protein bars, trail mix, beef jerky, and hard candies. Due to postal deadlines, your donations have to be delivered to the Clerk's office by November 8.
- Volunteer to help at our donation drives. The next

donation drive is Saturday, November 9 from 10 a.m. to 3 p.m. If you can help out on that day or have any questions about our organization or program, call Bob Gebbia at (561) 351-8459.

Happy Holidays and thank you for your continued support! You can send your donation to:
