Arts & Crafts Fall Festival is Saturday, Nov. 2

The 34th Annual Arts & Crafts Fall Festival is set for Saturday, Nov. 2 from 9 a.m. to 4 p.m. at the Village Community Center, 1200 Prosperity Farms Road.

Find a variety of holiday gifts, decorations and works of art. There is no parking or admission charge, and this craft show features nearly 100 vendors.

The Arts & Crafts Show is not a flea market, and all items for sale are required to be created, hand crafted or embellished by the exhibitor. This show will be held rain or shine!

Call (561) 841-3386.

Trash, recycling, bulk item pickup

The Village provides trash collection services three days a week for household garbage, two days a week for vegetation, and once a week for recyclables.

Residents must provide their own trash cans and place them outside for "side door service." Bulk items, vegetation, and recycling should be placed by the curb. Everything should be ready for pick up by 7 a.m.

And whenever a holiday falls on a Thursday, bulk and recycling pick-up will be done on the Tuesday before. This way, those items will not be left outside for nearly two weeks.

Vegetation, trash or bulk items that come from any business or are generated by a hired contractor, such as a landscaper or home repair person, must be hauled away from the property by the contractor. Local contractors should know this already.

For information call the Public Works Sanitation Division at (561) 691-3440.

Country Club Update

New Country Club GM, Beth Davis, has success in private sector

Beth Davis, the Country Club's new General Manager, has been working since early summer with Village staff, vendors and residents to prepare the venue for many more years of great memories, experiences and social events.

She is an accomplished private club manager and hospitality executive, and joined the Village after working 11 years as General Manager of Monarch Country Club in Palm City. In 2005, Beth worked at the world-renowned Pinehurst Resort, in North Carolina, where she was part of the 2005 U.S. Open pre-planning team.

Beth Davis, NPBCC GM

A graduate of the University of Houston's Hilton College of Hotel Restaurant Management, Beth is a Certified Club Manager and has been a member of the Club Managers Association of America since 1996. She holds a Community Association Manager license in the state of Florida.

Add to all that some 20-plus years of country club and resort experience in various management positions, including in the U.S. Air Force, and you've got someone who is ready to lead the NPBCC to new levels of excellence.

At the clubhouse, Beth will oversee Country Club finances, facility maintenance, public events, staffing issues and customer interaction. She also will work with Farmer's Table to ensure the restaurant and banquet room are satisfying customer needs.

On the golf side, she will work with Golf Pro Allan Bowman and Brightview (groundskeeper) to ensure the golfing operation has what it needs to be successful.

The tennis and pool operations, which used to be administered by the Parks and Recreation Department, now will be managed as part of the Country Club, so Beth will work with Tennis Supervisor, Jackie Wheeler, and Aquatics Manager, Alf Aguirre, to create the best experiences possible at those facilities.

Beth says she is excited by the opportunities for the Country Club's future, and about making the Country Club a "home away from home" for residents, members and guests.

Beth can be reached at (561) 296-1060, or by email at bdavis@village-npb.org.

Construction crews are now finishing the work on most areas of the Country Club inside and out. On the first floor, the golf shop is open to the public and golf staff has moved into their offices, though some finish work is still being done on paint, drywall and flooring. On the second floor, Farmer's Table is setting up equipment, furniture and supplies while construction crews complete some ceiling work, painting and drywall. Outside, the parking lot and pool deck are being completed.

Is the clubhouse open?

The best way to find out if the clubhouse is open is to check the Village social media accounts and webpage, which are current with the latest information.

At the time this newsletter was printed, the clubhouse and restaurant were not open yet, however, the golf shop opened in early October. Construction crews have been putting the final touches on the building to make sure it meets and exceeds the expectations of the residents, members and guests.

The Village apologizes for any inconvenience caused by delays in the opening date, but it is being done to ensure a phenomenal experience for all who come to the clubhouse and Farmer's Table once they open.

Golf course status

The golf course staff, along with landscape company, BrightView, continue to work on the grass and bunkers, where improvement continues.

On the driving range, golfers have been using the synthetic mats, allow growth of the grass.

Summer rains also have been helpful for growth.

Pool

The Village pool has been resurfaced, with new lighting fixtures installed. The pool has been filled with water, and a new deck has been set in place, while a splash park for small children is being completed and will be ready when the clubhouse re-opens on a date to be announced.

Book a tee time

Golfers can book a tee time online at www.village-npb.org, or call (561) 691-3434.

Council sets budget, leaves property tax rate at \$7.50

The Village Council recently set the budget and property tax rate for fiscal year 2020, which runs from Oct. 1, 2019 through Sept. 30, 2020.

The Council voted unanimously on Sept. 26 to set the budget at \$30,107,565. That's how much money the Village will have to work with for the next year.

They also voted to keep the property tax rate at \$7.50 for every \$1,000 of taxable value. About 64 percent of the \$30.1 million budgeted will come from property taxes.

Council members worked for several weeks to review details of the budget and set priorities for Village staff.

Expenditures include:

- A storm-water study
- Anchorage Park improvements
- Asphalt resurfacing
- Sidewalk repairs and crosswalks
- Alley wall replacement
- A pool chiller (to control pool temperature)
- Lakeside Park seawall work

The new budget also includes \$3,983,588 for the operation of the Country Club.

A brief overview of the 2019/2020 budget is on the Village website at www.village-npb.com.

Public Works crews making improvements all over town

Are things looking better everywhere you turn? The Public Works Department has been fixing, cleaning, rebuilding and maintaining landscaping, buildings and roadways in each part of the Village. Some projects are large-scale (new seawall and docks at Anchorage Park), while others are smaller, but much-needed

improvements: Top left: Volleyball courts at Anchorage Park. Top right: Newly painted Village wheel landmark. Middle right: Transplanted trees in Anchorage Park. Bottom: New outdoor basketball courts at Community Center; new pavilion and path at Anchorage Park; speed warning sign on Lighthouse Drive.

Those who have been in Village activities in the past can register at www.NPBVillageActivities.com.

Kids enjoying fall hoops

The Village's fall Youth Basketball season for boys and girls finishes in November. There have been some great games in all age groups this season.

The games are held inside the Community Center gym, which has bright new lighting inside, and newly striped courts outside with new baskets, backboards and poles.

The Parks and Recreation Department's goal is to make basketball an enjoyable sporting

experience for all kids, to develop their skills, and of course to have fun!

Janie Burge, long-time Village swim instructor, will be missed by many

The Village Council and management staff are sad to announce the recent passing of long-time swim instructor Janie Burge, who taught at the Country Club pool for 24 years.

She was a beloved figure at clubhouse luncheons, where she was known to play BINGO and pass out cookies for anyone celebrating a "birthday of the month."

Those who knew her say they will miss the work she did to bring the community together and her much-appreciated swimming classes.
